The Macmillan Dictionary Of Quotations:

The Macmillan Dictionary of Quotations Macmillan Publishing Company, 1989 Informative and fascinating this is an innovative reference work that sets anew standard for usefulness in quotation books **The Quote Verifier** Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain't I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain't over till the fat lady sings No one washes a rented car and Make my day Keyes's in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases *The Quote Verifier* is not only a fascinating piece of literary sleuthing but also a great read **The Macmillan Dictionary of Contemporary Quotations**

powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women's rights and the civil rights movement and by looking at the use of

proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment *A Dictionary of Contemporary Quotations*, 1982

Tolstoy On War Rick McPeak, Donna Tussing Orwin, 2012-09-15 In 1812 Napoleon launched his fateful invasion of Russia. Five decades later Leo Tolstoy published *War and Peace*, a fictional representation of the era that is one of the most celebrated novels in world literature. The novel contains a coherent though much disputed philosophy of history and portrays the history and military strategy of its time in a manner that offers lessons for the soldiers of today. To mark the two hundredth anniversary of the French invasion of Russia and acknowledge the importance of Tolstoy's novel for our historical memory of its central events, Rick McPeak and Donna Tussing Orwin have assembled a distinguished group of scholars from diverse disciplinary backgrounds: literary criticism, history, social science, and philosophy, to provide fresh readings of the novel. The essays in *Tolstoy On War* focus primarily on the novel's depictions of war and history, and the range of responses suggests that these remain inexhaustible topics of debate. The result is a volume that opens fruitful new avenues of understanding *War and Peace* while providing a range of perspectives and interpretations without parallel in the vast literature on the novel. A Cumulated Index to the Books, 1900 *Webster's New World Dictionary of Quotations* Auriel Douglas, Michael Strumpf, 1998 Professional writers and speakers, students and business people will find this book indispensable for enlivening articles, speeches, reports, or presentations. Over 200 subject categories group more than 4,000 quotations for quick and easy location and selection. Quotes are also extensively cross-referenced and indexed by both subject and author. **Walford's Guide to reference material.** Albert John Walford, 1995 **The Monthly Cumulative Book Index**, 1898 *Walford's Guide to Reference Material* Marilyn Mullan, 1989 The British counterpart to Sheehy, in which it is recommended and vice versa distributed in the US by Unipub. Volume 3 completes the 5th edition with 8,833 entries. Vol 1: Science and technology, 1989, 5,995 entries; Vol 2: Social and historical sciences, philosophy and religion, 1990, 7,166 entries. While the majority of items are reference books, Walford is a guide to reference material and therefore includes periodical articles, microforms, online, and CD-ROM sources. A special effort has been made to make sure the output of small and specialist presses is not neglected. Annotation copyrighted by Book News Inc, Portland, OR. A Cumulated Index to the Books of .., 1900 Walford's Guide to Reference Material: Generalia, language and literature, the arts Albert John Walford, 1998 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials. No rigid definition of reference is applied. In addition to the expected bibliographies, indexes, dictionaries, encyclopaedias, and directories, a number of important textbooks and manuals of general practice are included. While the majority of the items are books, Walford is a guide to reference material. Thus periodical articles, microforms, online, and CD-ROM sources are all represented. In this volume a particular effort has been made to improve coverage of the latter two categories. **The United States Catalog**, 1900 **Reference and Subscription Books Reviews**, 1988 *The*

The Macmillan Dictionary Of Quotations Introduction

In today's digital age, the availability of The Macmillan Dictionary Of Quotations books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Macmillan Dictionary Of Quotations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Macmillan Dictionary Of Quotations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Macmillan Dictionary Of Quotations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Macmillan Dictionary Of Quotations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Macmillan Dictionary Of Quotations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Macmillan Dictionary Of Quotations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Macmillan Dictionary Of Quotations books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Macmillan Dictionary Of Quotations books and manuals for download and embark on your journey of knowledge?
