The Magic Bubble Pipe:

The Magic Bubble Pipe Stella Farris, 1978-01-01 Paper pop ups reveal the strange sights Scott sees when he uses his great grandfather's pipe in his evening bath *Soundtracked Books from the Acoustic Era to the Digital Age* Justin St. Clair, 2022-06-15 Offering both a short history and a theoretical framework this book is the first extended study of the soundtracked book as a media form A soundtracked book is a print or digital publication for which a recorded musical complement has been produced Early examples were primarily developed for the children's market but by the middle of the twentieth century ethnographers had begun producing book and record combinations that used print to contextualize musical artifacts The last half century has witnessed the rapid expansion of the adult market including soundtracked novels from celebrated writers such as Ursula K Le Guin Kathy Acker and Mark Z Danielewski While often dismissed as gimmicks this volume argues that soundtracked books represent an interesting case study in media consumption Unlike synchronous multimedia forms the vast majority of soundtracked books require that audience activity be split between reading and listening thus defining the user experience and often shaping the content of singing books as well Mapping the form's material evolution this book charts a previously unconsidered pathway through more than a century of recording formats and packaging strategies emphasizing the synergies and symbioses that characterize the marriage of sound and print As such it will be of value to scholars and postgraduate students working in media studies literary studies and sound studies *The Magic Soap Bubble* David Cory, 1922 The king of the gnomes has a magic pipe with which he blows a wonderful bubble and taking Ned with him they both have a delightful time in Gnomeland Publisher's advertisement *I've Become My Mother. . .* Joyce Schenk, 2002-06-24 From the lightning bug dance of a summer night to the charm of Chautauqua Institution in winter from spring's maple sugarin season to the grape rich aromas of autumn from hardware stores to porches from rocking chairs to wind chimes *I've Become My Mother* serves up slices of life with wisdom and humor This selection of essays is drawn from the files of *Mosey* in Along a popular back home column which has appeared for more than a dozen years in a group of up state New York weeklies Readers seeking an antidote to the stresses of the big city will join those who treasure memories of the rural northeast in celebrating these glimpses of a slower paced lifestyle Professor Bubbles' Official Bubble Handbook Richard Faverty, Richard Faverty, John Javna, 1988-03 **Harper's Young People** , 1882 **Printers' Ink** , 1946

Queenmagic, Kingmagic Ian Watson, 2011-09-29 In another world somewhere in space and time two countries Bellogard and Chorny are locked in perpetual war conducted by magic Each of the main members of the two countries courts king queen prince bishop knight and squire has their own form of magic and special ways of moving magically A war may continue for centuries until one side succeeds in killing the other side's king at which point the whole world vanishes only to reappear and have the cycle begin again Pedino is a young Bellogardian who becomes the queen's squire and as part of his training is sent into a seedier part of the city to uncover a Chornian spy During his adventures he meets and falls in love with

a whore Sara who turns out to be a Chornian bishop's squire Pedino succeeds in killing the other Chornian bishop a remarkable achievement for a mere squire but in the manoeuvres which follow Chorny proves to have outwitted its rival and Pedino's whole world is threatened with extinction There have been many stories modelled on chess games but none so ingenious and enjoyable as Ian Watson's latest novel And as one would expect from Watson the story of Bellogard and Chorny is only the beginning When Pedino and Sara manage to escape the destruction of their universe they find themselves in a series of even more bizarre worlds operating under still stranger rules as they seek to discover the purpose of their existence and the meaning of their universe Queenmagic Kingmagic is Ian Watson in sparkling exuberant form **Magical**
