a magician of the seas Her growth between the water and the sky her great palaces solid and splendid built so to speak on nothing the wonderful glory of light and reflection about her the glimmer of incessant brightness and movement the absence of all those harsh artificial sounds which vex the air in other towns but which in her are replaced by harmonies of human voices and by the liquid tinkle of the waves all these unusual characteristics combine to make of her a wonder and a prodigy While there are scarcely any who are unmoved by her special charm there are some who are entirely subdued by it to whom the sight of her is a continual enchantment and who never get beyond the sense of something miraculous the rapture of the first vision About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The makers of Venice](#) Margaret Oliphant,1905 [The makers of Venice](#) Margaret Oliphant,1893 [The Makers of Venice](#) Margaret Oliphant Wilson Oliphant,1891
