**The Man with Two Shadows** Tristan Black Wolf, 2012-03-26 Have you ever felt uncomfortable in your own skin Maybe theres a reason Jeremiah Pym is a private detective not the flashy gun toting gumshoe of old but a quiet respectable shamus of modern day who earns a modest living on domestic intrigues and background checks After being hired for what should be a routine surveillance job Jeremiah witnesses a kidnapping barely escaping with his life The next day however not a trace remains of any kidnapping or anything else that he saw Trying to put the puzzle pieces together leads the detective on a convoluted chase that brings into question everything that hes ever known about himself With the help of his Native American mentor Edgard Moon Bear Jeremiah discovers that the key to the mystery may be found in another world a world where therianthropes human animal hybrids are the sentient beings and where hundreds of years of slow change has allowed some of these beings to wield magical powers As Jeremiah learns the secrets of his own past he comes to learn who and what he is and why his existence is central to the continued survival of two worlds     *The Man with Two Shadows and Other Ghost Stories* Mark Lemon, Louise Greenwood, Tom Hood, 1999 Reading level 3 orange     [Descriptive Catalogue of the Publications of the Presbyterian Board of Publication](#) Presbyterian Church in the U.S.A.
