

"We have waited too long for our freedom."

— Nelson Mandela

Defiant Mandela goes free

The New York Times

CAPE TOWN, South Africa — After 27½ years in prison, Nelson Mandela finally won his freedom on Sunday and promptly urged his supporters at home and abroad to increase their pressure against the white minority government that had just released him.

"We have waited too long for our freedom," Mandela told a cheering crowd from a balcony of Cape Town's old City Hall. "We can wait no longer."

"Now is the time to intensify the struggle on all fronts," he said. "To relax our efforts now would be a mistake which generations to come will not be able to forgive."

He asked the international community not to lift its sanctions against South Africa, despite the recent changes introduced by President F.W. de Klerk, which culminated in Mandela's release.

"To lift sanctions now would be to run the risk of aborting the process toward ending apartheid," he said. Mandela's 15-minute speech was his first public comment since 1964.

Mandela's voice sounded firm and his words as eloquently militant as when he defended violence as the ultimate recourse. Though he looked all of his 71 years, he walked out of Victor Verster prison erect and vigorous.

More important, Mandela gave no evidence that his militant opposition to apartheid had been tempered by more than 10,000 days he spent in confinement. But he also said nothing that would have surprised the government had he said it during his years of incarceration.

Indeed, there appeared to be nothing in Mandela's initial remarks after his release to give the government much consolation or encouragement.

Although he has been viewed as a potential leader for all South Africans, he stressed time and again that his loyalty lay with the African National Congress, for which he was working underground when he was arrested and jailed in August 1962.

Mandela told a crowd that he remained a "loyal and disciplined member" of the ANC and still endorsed its policies, including its use of armed struggle against the white minority government.

He said he saluted the congress' military wing, Spear of the Nation, and its ally, the South African Communist Party, "for its steady contribution to the struggle for democracy."

But he also thanked the Black Sash, an organization of white women working to end apartheid, and the predominantly white National Union of South African Students for being "the conscience of white South Africans." And he held out an olive branch to all whites, asking them to join in shaping a new South Africa.

"The freedom movement is a political home for you, too," he said.

But he appeared to discourage any

The Mandela Writings:

The Mandela Writings Thomas J. Collins, 1989 Nelson Mandela Nelson Mandela, 1990 *Notes to the Future* Nelson Mandela, 2012-11-20

From the heart and soul of visionary Nobel Peace Prize winner Nelson Mandela a collection of his most uplifting time honored quotes that have inspired our world and offer a path for peace The book that you hold in your hands is nothing short of a miracle Desmond Tutu from the Introduction *Notes to the Future* is the definitive book of quotations from one of the great leaders of our time This collection gathered from privileged access to Mandela s vast personal archive of private papers speeches correspondence and audio recordings features more than three hundred quotations spanning more than sixty years and includes his Nobel Peace Prize acceptance speech These inspirational quotations organized into four sections Struggle Victory Wisdom and Future are both universal and deeply personal We see Mandela s sense of humor his loneliness and despair his thoughts on fatherhood and the reluctant leader who had no choice but to become the man history demanded A good pen can also remind us of the happiest moments in our lives bring noble ideas into our dens our blood and our souls It can turn tragedy into hope and victory from a letter to Zindzi Mandela written on Robben Island February 10 1980

Mandela Anthony Sampson, 1999 The life of Nelson Mandela is one of the most extraordinary epics of the twentieth century An almost forgotten prisoner on Robben Island twenty years ago apparently doomed to a helpless existence as a victim of apartheid he not only survived but almost single handedly saved South Africa from potential chaos to become one of the most widely admired leaders in the world Mandela s myth is dazzling in this magnificent biography Anthony Sampson penetrates it to show us the man himself Sampson has known Mandela since 1951 He was given Mandela s complete cooperation including access to twenty seven years worth of unpublished correspondence from prison and many other private documents even the original draft of Mandela s prison autobiography long thought to be lost He interviewed virtually every significant living figure associated with Mandela from childhood schoolmates to Mandela s ex wife Winnie to former president F W de Klerk Mandela himself checked and annotated the manuscript but Sampson was left free to make his own judgments about the man which he has done with refreshing candor The result is wonderfully revealing and objective Mandela is filled with new insights and information We see how prison which he and his fellow inmates turned into a kind of unofficial university gradually transformed Mandela from a headstrong activist into a reflective and consummately skilled statesman We learn how British and American diplomats cold shouldered him when support was desperately needed and about the political infighting sometimes vicious that went on between anti apartheid factions Particularly fascinating is Sampson s narrative of the incredible negotiations leading to Mandela s release from prison and the eventual collapse of the white regime when his colleagues feared that he was selling out to the government At every turn this book sheds fresh light on the moral dilemmas that Mandela was forced to face again and again in his personal and public lives In the struggle for freedom for South African blacks he paid a tragic price becoming alienated from his wife and remote from his children Yet he

famously retained his humanity and while Sampson does not conceal Mandela's failings his stubbornness his fixed loyalties his princely manners and detachment the man who emerges is authentically heroic Broadly based painstakingly researched elegantly written Mandela is a fitting complement to Mandela's celebrated autobiography It will stand as an exemplar of the biographer's art at its most masterly and even more as a moving testament to the power of the human spirit in adversity

Nelson Mandela's Quotes and Tributes Maureen Biwi, 2013-12-08 Nelson Mandela 1918-2013 Rest in Peace Madiba Nelson Rolihlahla Mandela was a South African anti-apartheid revolutionary politician and philanthropist who served as President of South Africa from 1994 to 1999 For most South Africans Nelson Mandela is the father of their nation and many even called him Tata a Xhosa word for father It was sometimes forgotten that he was also a real father grandfather great grandfather and husband He earned a place in history alongside the likes of another father of a nation Mahatma Gandhi But there was a fundamental difference between these beloved men Persuasive arguments paint Gandhi as a dismal family man By all accounts Mandela was a strong and loving family man Even so Mandela and his family paid dearly in the currency of sacrifice and pain for his commitment to his country's freedom Mandela himself offered a glimpse into his personal war To be the father of a nation is a great honour but to be the father of a family is a greater joy But it was a joy I had far too little of he said in April 1992

Prison Writing and the Literary World Michelle Kelly, Claire Westall, 2020-10-27 Prison Writing and the Literary World tackles international prison writing and writing about imprisonment in relation to questions of literary representation and formal aesthetics the value or values of literature textual censorship and circulation institutional networks and literary critical methodologies It offers scholarly essays exploring prison writing in relation to wartime internment political imprisonment resistance and independence creation regimes of terror and personal narratives of development and awakening that grapple with race class and gender Cutting across geospatial divides while drawing on nation and region specific expertise it asks readers to connect the questions examples and challenges arising from prison writing and writing about imprisonment within the UK and the USA but also across continental Europe Stalinist Russia the Americas Africa and the Middle East It also includes critical reflection pieces from authors editors educators and theatre practitioners with experience of the fraught testing and potentially inspiring links between prison and the literary world

No Easy Walk to Freedom Nelson Mandela, 1973 This collection of Nelson Mandela's articles speeches letters from underground and transcripts from the trials in which he was accused vividly illustrates his magnetic attraction as Africa's foremost campaigner for freedom

Ghosts of Archive Verne Harris, 2020-12-21 Ghosts of Archive draws on the discourses of deconstruction intersectionality and archetypal psychology to mount an argument that archive is fundamentally and structurally spectral and that the work of archive is justice Drawing on more than 20 years of the author's research on deconstruction and archive the book posits archive as an essential resource for social justice activism and as a source or location of soul for individuals and communities Through explorations of what Jacques Derrida termed hauntology Harris

invites a listening to the call for justice in conceptual spaces that are non disciplinary He argues that archive is both constructed in relation to and beset by ghosts ghosts of the living of the dead and of those not yet born and that attention should be paid to them Establishing a unique nexus between a deconstructive intersectionality and traditions of memory for justice in struggles against oppression from South Africa and elsewhere the book makes a case for a deconstructive praxis in today s archive Offering new ideas about spectrality banditry and archival activism Ghosts of Archive should appeal to those working in the disciplines of archival science information studies and psychology It should also be essential reading for those with an interest in social justice issues transitional justice history philosophy memory studies and postcolonial studies

Public History and Culture in South Africa Ali Khangela Hlongwane, Sifiso Mxolisi Ndlovu, 2019-04-11 The post apartheid era in South Africa has in the space of nearly two decades experienced a massive memory boom manifest in a plethora of new memorials and museums and in the renaming of streets buildings cities and more across the country This memorialisation is intricately linked to questions of power liberation and public history in the making and remaking of the South African nation Ali Khangela Hlongwane and Sifiso Mxolisi Ndlovu analyse an array of these liberation heritage sites including the Hector Pieterse Memorial and Museum the June 16 1976 Interpretation Centre the Apartheid Museum and the Mandela House Museum foregrounding the work of migrant workers architects visual artists and activists in the practice of memorialisation As they argue memorialisation has been integral to the process of state and nation formation from the pre colonial era through the present day *Mandela* Nelson Mandela, 2011 A good pen can also remind us of the happiest moments in our lives bring noble ideas into our dens our blood and our souls It can turn tragedy into hope and victory FROM A LETTER TO ZINDZI MANDELA DATED 10 FEBRUARY 1980 The first wholly accurate and authorised record of Nelson Mandela s most inspiring and historically important quotations Nelson Mandela by Himself is the complete and fully authorised book of quotations from one of the great leaders of our time This definitive collection gathered from privileged access to Mandela s vast personal archive of private papers speeches correspondence and audio recordings features nearly 2000 quotations over half of which have never before been published Categorised for easy reference Nelson Mandela by Himself is the only authorised and fully authenticated collection of quotations by one of the world s most inspiring and admired individuals Let Freedom Reign Andre Brink, 2014 Long Walk to Freedom Nelson Mandela, 2003 The riveting memoirs of the outstanding moral and political leader of our time LONG WALK TO FREEDOM brilliantly recreates the drama of the experiences that helped shape Nelson Mandela s destiny From his imprisonment on Robben Island to his remarkable journey to freedom and inauguration as President this book describes Mandela s frustrations and strength of heart as well as the overwhelming joy of freedom and power Emotive and compelling it completes the story of an epic life Burns with the luminosity of faith in the invincible nature of human hope and dignity Unforgettable ANDRE BRINK Enthralling Mandela emulates the few great political leaders such as Lincoln and Gandhi who go beyond mere consensus and move out ahead of

their followers to break new ground Donald Woods in the SUNDAY TIMES **Who Was Nelson Mandela?** Pam Pollack, Who HQ, 2013-12-14 As a child he dreamt of changing South Africa as a man he changed the world Nelson Mandela spent his life battling apartheid and championing a peaceful revolution He spent twenty seven years in prison and emerged as the inspiring leader of the new South Africa He became the country's first black president and went on to live his dream of change This is an important and exciting addition to the Who Was series Library of Congress Information Bulletin ,1995
