## **The Oxford Russian Dictionary:**

*Oxford Russian Dictionary* Marcus Wheeler, Boris Ottokar Unbegaun, Paul Stephen Falla, Della Thompson, 2007-05-10 The fourth edition of the Oxford Russian Dictionary is an invaluable text for any serious student of Russian or any Russian native speaker learning English. This edition also contains many enhancements including new supplementary material with a correspondence section, grammar help and extra sections on the pronunciation of Russian and English. The text has also been updated with hundreds of new words in both the English and Russian sides of the dictionary, especially important given changes in language and culture over the last few years. These new words mean that the Oxford Russian Dictionary continues to be the leader in its field as the most comprehensive up to date Russian dictionary available. The dictionary is also more accessible for Russian speakers with the addition of contextualizations on the Russian-English side to help users select the most appropriate translation. There is an extensive guide to English grammar written in Russian and the Russian native speaker who wishes to use or understand American English is well catered for. This dictionary includes 12 months access to Oxford's premium Russian-English online dictionary service Oxford Language Dictionaries Online so you can find accurate translations and extra resources wherever you are. The site is regularly updated with the latest new words and meanings from Oxford's modern languages research programme, the Oxford Languages Tracker. You can also hear audio pronunciations and improve your language skills with online cultural notes, guides to writing and much more. Terms and conditions apply.
