The Meanings of Discipleship

Andrew Hayes,Stephen Cherry,2021-10-29 Discipleship is a foundational concept of Christian life which has become a popular and ubiquitous description of belonging and growth in early 21st ecclesiastical language Discipleship courses and popular writings abound and the term is used liberally in official church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for more clarity precision and depth in defining what meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society

The Way of the Disciple Erasmo Leiva-Merikakis,2003-01-01 This book explores in depth six

Gospel scenes so as to discover in these the essential elements of Christian discipleship. It describes the basic requirements for receiving the Word of God effectively in our hearts namely that we become wet clay in God's hands so that God can impress upon us any form he chooses. It also contemplates the vital position of the Mother of the Lord in the life of his disciples. The author shows that the call to discipleship is above all an invitation to intimate companionship with Jesus as we read in Mark Jesus called to him those whom he desired in order that they might be with him 3 14 15. What we normally call the active apostolate can never be an end in itself but only the fruits of a life of prayer and adoration. These are what must be at the heart of a disciple's life which can never be swept up by mere activism. The Way of Discipleship Ron Stohler, 2015-03-13

Follow my example as I follow the example of Christ 1 Corinthians 11 1 NIV Jesus walked the shores of Galilee and called ordinary fishermen to drop their nets to follow Him. Follow me wasn't a suggestion but a summons from the very Son of God. In response they left everything known and comfortable to live with Jesus learn from Jesus be launched by Jesus to go and make disciples in His name. Their lives and this world has never been the same. Jesus still calls ordinary people by name to follow him. The problem is many churches today are filled with people who claim to believe in Jesus but whose lives don't reflect his character and calling. Many fans Few followers Many believers Few disciples. That needs to change. Which is why the leaders of Grace Church focused their efforts in 2010 to launch the Way of Discipleship to aggressively respond to the Great Commission to go and make disciples of all nations. The Way of Discipleship is a time bound intentional relationship focused on learning and embracing 11 essential practices to following Jesus Christ. The Way of Discipleship engages one person a discipler who invites another person a disciple to follow them as they follow Christ. The Way of Discipleship shapes our character who we are and our calling what we do. Like a tree the Way of Discipleship roots us in Christ provides stability to weather the storms of life and branches out to bear fruit in our lives. This resource is a tool to facilitate this relationship over a period of one to three years to integrate these practices into one's life and prepare the disciple to replicate it into another relationship. It will be costly but the cause is worth it more than anything else the world has to offer. Follow Me J Lee Grady, 2022-02-01

God has placed the next generation into our hands. Who will raise them up if the church does not. This book will teach you how to effectively mentor the next generation of Christians. You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God. If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of relational discipleship. Jesus final mandate to His followers was Go and make disciples yet today most of the church is oblivious to what discipleship is and few Christians are actually investing their lives in helping other believers grow spiritually. A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty first century. In Follow Me J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young leaders and a clear strategy for discipling others that can be used by individuals and churches. Grady makes a compelling

case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication *The Path of Discipleship.
