There's nothing like a batch of warm homemade cookies straight out of the oven. But sometimes despite our best efforts they don't come out quite right. Cookies were probably one of the first things that I ever baked starting at a young age when my mom needed to pull a kitchen chair up to the counter for me so I could reach above the rim of the mixing bowl. And through years of trial and error in my own kitchen at home during Christmas cookie baking marathons at my aunt's house and working in cafe kitchens I learned some tips that will help you to make the perfect sweet treats every time. You may have heard some of this information before but maybe some of my advice will surprise you. If you use these tips I promise your results will be delicious. Here in this book on **THE BEST TIPS TO BAKE PERFECT COOKIE EVERY TIME** is a quick rundown of my top 10 tips to bake the best cookies you've ever tasted. **The Search for the Perfect Chocolate Chip Cookie**
