and note on how the book came to be written *Slovenly Peter* Heinrich Hoffmann, 2020-07-15 Written in 1844 by German physician Heinrich Hoffmann *Slovenly Peter* has entertained generations of readers around the world Intending to buy a picture book as a Christmas present for his three year old son Hoffmann instead wrote and illustrated his own book In 1845 he was persuaded by friends to publish the book anonymously It was one of the first uses of chromolithography a method of making multi colored prints in a children s book For the third edition published in 1858 new stories and pictures were added and the title was changed to *Struwwelpeter* the name of the character in the first story As a psychiatrist Hoffmann dressed the most common childhood disorders and misbehavior in entertaining verses and pictures Stories in verses with colorful pictures were then long before Wilhelm Busch and the first comics still completely new The little book conquered the world in no time and was parodied imitated and recast with ever new political and cultural messages more often than any other children s book This bilingual edition shows Hoffmann s original First German Print of 1845 and the version known today in Mark Twains witty translation as well as the story of *Struwwelpeter* s creation told by Hoffmann himself Among the more than a dozen different English translations Mark Twain s free rendering is certainly the most original and he is no doubt the most prominent among the many translators into over 100 languages and dialects *The Princeton University Library Chronicle* Lawrence Thompson, 2003 Vol 1 includes section *Biblia* devoted to the interests of the Friends of the Princeton Library v 11 **The Durham University Journal** , 1949 [The Papers of the Bibliographical Society of America](#) Bibliographical Society of America, 2003 *A Bibliography of German Literature in English Translation* Bayard Quincy Morgan, 1922 *Cultural History of Reading [2 volumes]* Sara E. second edition reflects that growth in theoretical sophistication In addition it offers a number of new selections including samples of writing by children themselves juvenilia and mothers advice and an extensive bibliography **The British Library general catalogue of printed books to 1975** British Library,1982 *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association.
