Student Companion To Charles Dickens

Peter L. Abernethy

Student Companion To Charles Dickens:

Student Companion to Charles Dickens Ruth Glancy, 1999-11-30 Charles Dickens was the most popular writer of his age and is still considered one of the world's greatest novelists. This well-written study surveys his unusual and prolific life, relating his fiction writings to his concerns and active involvement with social conditions of early Victorian England. Glancy skillfully takes the reader back in time to appreciate the historical settings that inspired works like *Oliver Twist*, *Great Expectations*, and *A Tale of Two Cities*. An entire chapter is devoted to each of these works as well as to *David Copperfield*, *Hard Times*, the Christmas books, and the early novels from *The Pickwick Papers* to *Martin Chuzzlewit*. In each chapter, Glancy's analysis of plot, style, and character development brings these imaginative stories to life for the reader. This book examines Dickens's keen understanding of human nature and draws out the themes that make works such as *A Christmas Carol* as beloved today as when first written. This companion to Dickens will aid students in understanding the social context and literary genius of one of the greatest Victorian novelists. The thorough biographical chapter traces Dickens' life from his childhood through the development of his multi-faceted literary career. The literary heritage chapter examines the tremendous influence Dickens exerted on writing then and now. This volume surveys all of Dickens' work and provides in-depth readings of five of his novels and his Christmas works. The series format makes analysis of setting, plot, character development, and themes for each work accessible to students. The alternate critical perspectives enhance readers' understanding of Dickens' work. The selected bibliography and reviews cover both original and contemporary sources.

English Journal, 2000 The Cambridge Companion to Charles Dickens John O. Jordan, 2001-06-18 The Cambridge Companion to Charles Dickens contains fourteen specially commissioned chapters by leading international scholars who together provide diverse but complementary approaches to the full span of Dickens's work with particular focus on his major fiction. The essays cover the whole range of Dickens's writing from *Sketches by Boz* through *The Mystery of Edwin Drood*. Separate chapters address important thematic topics: childhood, the city, and domestic ideology. Others consider formal features of the novels, including their serial publication and Dickens's distinctive use of language. Three final chapters examine Dickens in relation to work in other media: illustration, theatre, and film. Each essay provides guidance to further reading. The volume as a whole offers a valuable introduction to Dickens for students and general readers, as well as fresh insights informed by recent critical theory that will be of interest to scholars and teachers of the novels. **Journal of Youth Services in Libraries**, 2000 **School Library Journal**, 2007 The Youth's Companion Nathaniel Willis, Daniel Sharp Ford, 1881 Includes music *Charles Dickens's A Tale of Two Cities* Harold Bloom, 2007 A collection of essays on Charles Dickens's *A Tale of Two Cities* presented in chronological order of publication Dickens's Nonfictional, Theatrical, and Poetical Writings Robert Conrad Hanna, 2007 Focuses on what could be described as all the rest of Dickens's writings. This book talks about the author's more than 2,000 annotated entries that identify nonfictional, theatrical, and poetical works.

by way of extant commentary since an eight year old Dickens s first play in 1820 **English Novel Explication** Peter L. Abernethy,1976 *Thematic Guide to British Poetry* Ruth Glancy,2002-08-30 This thematic guide offers interpretations of 415 poems representing the work of more than 110 poets spanning seven centuries of British poetry It should be useful to librarians and teachers who need to identify and locate poems on a given theme and to students and poetry fans

American Book Publishing Record ,2005 *Reference & User Services Quarterly* ,1999 El-Hi Textbooks & Serials in Print, 2005 ,2005 Choice ,2008 The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1892 **Publishers' circular and booksellers' record** ,1893 **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record** ,1893 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1893 **Sunday School Library Bulletin** ,1898 **The College Courant** ,1871
