Packed with stories of the people connected to the streets from the subjects of the statues to the sculptors that created them, from those who owned and developed the street since the days of St Mary's Abbey in 1147 to those who worked and lived there through the centuries, and all the drama and scandals that went on both on the street and behind closed doors, O'Connell Street will also feature more personal anecdotal stories of the cinemas meeting under Clery's clock, buying engagement rings at The Happy Ring House, witnessing motorcades such as the Apollo XIII coming down the street, the heyday of film stars staying at the Gresham, and scandals and murders on the street.
