## Key Of Faith:

Behold! the Kingdom Crosbie Barnes,2014-10-22 A study that attempts to remove the fog surrounding our perception of God's Kingdom It may be a source of new ideas and revelation challenging those commonly held about the Kingdom and attempting to set the foundation for how we should view it We look at how the coming of the King impacts the world and its people in every generation revealing an invitation to take our rightful place in His Kingdom We examine the mechanics and the dynamics of our inclusion into the Kingdom and how it is expressed within His creation examining its nature as it emerges in the lives of individuals who embrace the King And finally we look at the structure role and intrinsic values of the Church in the context of God's Kingdom

**The Key To Faith** Jewell Probasco,2021-05-14 Sadly all too many Christians tend to turn faith into a barrier More than a few believe I must have sufficient faith before God will Love Heal Bless Provide or Answer my prayers As God's children IF we have to work at having faith to prove to Him that we have faith something is wrong To approach God with this attitude is insulting to Him This is not how our God operates This book will reveal from The Word how faith can come without your struggling to have it You can have unflinching great faith that you are not aware of Faith that produces Divine Results when you become aware of and understand you become absorbed in Jesus and His Unconditional Love for you

*Keys to Answered Prayers* Jemima Alara,2014-08-15 Prayer is a two way communication between man and God Christians commune with God through Prayer but most Christians complain that they don't receive answers to their prayers The KEY TO ANSWERED PRAYERS is very simple and it has only one name it is called COMMUNICATION It is not your length of prayers that matters what matters is are you communicating Imagine picking up your cell phone to make a call the only way for you to be able to communicate with the person on the other side is to ensure that you have a dialing tone and that there is a communication link available to signify you have access to the receiver without these in place you can't communicate nor even get a response In this book you will learn the art of effective communication the proper channel to link heaven directly and get rapid answers to your prayers You will also learn how to walk under an open heavens every second every minute every hour 24 hours a day 365 days a year and continually till Jesus comes
