La Chanson De Salomon

Rafael Pérez-Torres

La Chanson De Salomon:

Les livres de Salomon Sébastien Castellion, Nicole Gueunier, Max Engammare, 2008 In 1555 Sebastien Castellion's translation of the Bible into French was published by Johann Herwagen in Basle This volume presents his translation of the books traditionally attributed to Salomon Proverbs Ecclesiastes Song of Songs and studies their exegetical context with regard to the influence of the Protestant reformation French text

The Real Tales of Hoffmann Vincent Giroud, Michael Kaye, 2017-06-08 Of all operas in the standard repertory none has had a more complicated genesis and textual history than Offenbach's Tales of Hoffmann Based on a highly successful 1851 play inspired by the short stories by the German Romantic writer E T A Hoffmann the work occupied the last decade of Offenbach's life When he died in October 1880 the work was being rehearsed at the Opéra Comique At once cut and rearranged the work was performed from the start in versions that ignored the composer's final intentions Only a few decades ago when previously unavailable manuscripts came to light it became possible to reconstitute the score in its real form Vincent Giroud and Michael Kaye's The Real Tales of Hoffmann tells the full story for the first time in English After discussing how the work of Hoffmann became known and influential in France the book includes little known sources for the opera especially the complete Barbier and Carr play in French and English It describes the genesis of the opera The annotated libretto is published in full with the variants for the two versions of the opera with spoken dialogue or recitatives Essays explain what was done to the opera after Offenbach's death from the 1881 Opéra Comique production to more recent restoration attempts There is also a survey of Les contes d Hoffmann in performance from the 1970s to the present and supplementary information including discography filmography and videography The Real Tales of Hoffmann is intended to appeal to anyone interested in the work specialists or non specialists Audiences musicologists and students of French opera and opéra comique will find it of particular interest as will opera houses conductors singers directors and dramaturgs involved in performances of the opera
