## **The Russians Secret What Christians Today Would Survive Persecution:**

**The Russians' Secret** Peter M. Hoover, Serguei V. Petrov, 1999    *The Russians' Secret* Peter Hoover, Serguei V. Petrov, 2014-10-28 Martyrdom in early Christian times already appealed to believers intent on doing great things for Christ. The early Christians venerated martyrs the dates of whose executions grew into a calendar of saints and wearing a martyrs halo is still extremely popular. But martyrs' halos do not come in the mail. A great amount of persecution faced by Christians today results not from what they believe but from what they own and from where they come. Missionaries in poor countries lose their possessions and sometimes their lives because people associate them with foreign wealth. Other martyrs lose their lives in political conflict. But does having our vehicles and cameras stolen, our children kidnapped or being killed for political correctness assure that we have witnessed for Jesus martyr means witness? Rev 6:9, 12:17 and 19:10. Real martyrs for Christ do not wear halos. They only carry crosses. Most people even Christians quickly discredit and forget these martyrs. Real martyrs suffer persecution not like great heroes of the faith but like eccentrics and fools. Ordinary people usually consider them fanatics. Does that disappoint or alarm you? Do not worry. Reading this book about Russia's underground believers will assure you that if you are a typical Western Christian you will never face persecution. You will never have to be a real martyr for Christ. Only if you are not typical if you choose to be a weed that floats upstream you may want to know the secret by which Russian Christianity survived through a thousand years of suffering. True to the spirit of Russia's believers this work gives a colorful and detailed description of faith underground. But what makes it unique is the author's penetration of the soul of Russian belief in so many ways dissimilar to Western belief in God. Leonid Maslennikov Russian professor James Madison University. Westerners have become increasingly aware of the Russian people's deep roots in Eastern Orthodoxy. The Russians' Secret introduces us to another side of Russian Christianity not as well known in the West the little traditions of sectarian, mystical and evangelical faith that have always existed alongside the official Orthodox church. This book written for the general reader offers a sweeping and detailed view of those radical Christian movements without stooping to superficiality. William Rushby member Rockingham Meeting of Conservative Friends and independent scholar Old Order Resurgence Michael Hari, 2015-05-19. This book concerns evangelism in an Old German Baptist Amish or Mennonite context.

**Eine baltisch-adlige Missionarin bewegt Europa** Debora Sommer, 2013-10-23. This doctoral thesis reintroduces Juliane von Krämer a largely forgotten historic figure back into historical awareness. Particular attention is given to her role as a female missionary in Europe within the church history context of Pietism and revival movements at the beginning of the 19th century. The investigation revolves around the question to what extent did this aristocratic ambassador's wife not just stir hearts but also have a transforming influence on the mission history of Europe. In addition von Krämer's specific female contribution is investigated. The climax of von Krämer's missionary activity occurs between 1815 and 1818. It covers the time of her special influence on Tsar Alexander I her missionary travels through Switzerland and Germany and her effect on

the spiritual revival movements happening in Western and Eastern Europe This Baltic German missionary used various social networks in particular the transnational and interdenominational network of the salon culture as inroads for her missional lifestyle The basis for the missiological role analysis in this paper is a thematic investigation into the life and activities of Juliane von Kr dener What stands out is the fact that her missionary role apart from her activities as Salonnier writer and evangelist also included charitable and political dimensions This case study on Juliane von Kr dener is an interdisciplinary research contribution but is also the first to offer extensive research from a theological perspective It addresses foundational questions about the role of women in mission and church history and is a testimony to the significant contribution of women to revival transformative processes during the 19th century *Mennonite Family History*,2000 *Christianity Today* Carl Ferdinand Howard Henry,1981 A fortnightly magazine of evangelical conviction *A New Engagement* Robert Booth Fowler,1982 *Christian Europe Today* Adolf Keller,1942 *Russia*,1982 *Light from the Christian East* James R. Payton Jr.,2009-12-14 James R Payton Jr introduces us to Eastern Orthodox history theology and practice For all readers interested in ancient ecumenical Christian theology and spirituality this book is especially open and sympathetic to what evangelicals can learn from orthodoxy *Christian Crusade*,1967 *Comparative Politics* Rolf H. W. Theen,Frank Lee Wilson,1992 *Blood and Fire, Tsar and Commissar* Tom Aitken,2007 The Duke of Ferrara has lived a wild and unconventional life and his only son is a bastard and infamous womanizer When his subjects demand that he marry and sire a legitimate heir the proud and beautiful Cassandra Duchess of Mantua is sent to be his bride A passionate love develops but not between the Duke and his Duchess *The Catholic World*,1989 *The Tablet*,2004 The international Catholic weekly *Gospel Herald*,1940 *Polish-Jewish Relations in North America* Mieczysław B. Biskupski,Anthony Polonsky,2007 A bold examination of the issues shaping Polish Jewish relations in North America and particularly of how the Holocaust continues to distort the structure of mutual perceptions Stereotyping on both sides is confronted head on with a number of chapters describing attempts to go beyond stereotypes and past conflicts and to concentrate instead on what has linked Poles and Jews in their long history *The Mennonite*,1938 *Congressional Record* United States. Congress,1959 *Hebrew Union College Monthly*,1935
