*Activating Grammar* Angela Gallagher, Fausto Galluzzi, 2005      **Resources in Education**, 2001      International Review of Biblical Studies, Volume 53 (2006-2007) Bernhard Lang, 2008-02-28 Formerly known by its subtitle Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete the International Review of Biblical Studies has served the scholarly community ever since its inception in the early 1950s. Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e.g. Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of Israel and early Judaism and so on. The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered

**Producing Online News** Ryan Thornburg, 2010-10-27 Building on a foundation of news stories Producing Online News shows students how to use the right tools to get the right information to the right people at the right time. The goal is to become a full fledged online news producer and transform stories into a complete news experience for an ever more demanding audience. Ryan Thornburg a journalism trainer who has managed the websites of top news organizations hones the skills students need to produce stories using multimedia interactivity and on demand delivery online journalism's three pillars Practical instructions show students not just how to use the tools but also how to make good journalistic choices in applying them. The book works for courses specifically in online journalism or for any journalism course that incorporates multiple platforms      CINDA, 1988      Handbook on Nuclear Activation Data, 1987      CINDA 84 International Atomic Energy Agency, 1984

**Translating China for Western Readers** Ming Dong Gu, 2014-11-06 This book explores the challenges of translating Chinese works particularly premodern ones for a contemporary Western readership. Reacting against the cultural turn in translation studies contributors return to the origin of translation studies translation practice. By returning to the time honored basics of linguistics and hermeneutics the book inquires into translation practice from the perspective of reading and reading theory. Essays in the first section of the work discuss the nature function rationale criteria and historical and conceptual values of translation. The second section focuses on the art and craft of translation offering practical techniques and tips. Finally the third section conducts critical assessments of translation policy and practice as well as formal and aesthetic issues. Throughout contributors explore how a translation from the Chinese can read like a text in the Western reader's own language      **Automatic Control and Mechatronic Engineering II** Hirotaka Tanabe, 2013-09-03 Selected peer reviewed papers from the 2nd International Conference on Automatic Control and Mechatronic Engineering ICACME 2013 June 21-22 2013 Bangkok Thailand      Ulrich's International Periodicals Directory, 1998      Phraseology in

Legal and Institutional Settings Stanislaw Goźdź-Roszkowski,Gianluca Pontrandolfo,2017-08-07 This volume presents a comprehensive and up to date overview of major developments in the study of how phraseology is used in a wide range of different legal and institutional contexts This recent interest has been mainly sparked by the development of corpus linguistics research which has both demonstrated the centrality of phraseological patterns in language and provided researchers with new and powerful analytical tools However there have been relatively few empirical studies of word combinations in the domain of law and in the many different contexts where legal discourse is used This book seeks to address this gap by presenting some of the latest developments in the study of this linguistic phenomenon from corpus based and interdisciplinary perspectives The volume draws on current research in legal phraseology from a variety of perspectives translation comparative contrastive studies terminology lexicography discourse analysis and forensic linguistics It contains contributions from leading experts in the field focusing on a wide range of issues amply illustrated through in depth corpus informed analyses and case studies Most contributions to this book are multilingual featuring different legal systems and legal languages The volume will be a valuable resource for linguists interested in phraseology as well as lawyers and legal scholars translators lexicographers terminologists and students who wish to pursue research in the area
