*Guns and Contemporary Society* Glenn H. Utter, 2015-12-01 This three volume set examines various approaches to firearms including constitutional and legal issues public health and criminal justice concerns and perspectives on personal safety and self defense Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control In this hard hitting compilation experts delve into various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence **History for Ready Reference, from the Best Historians, Biographers, and Specialists** Josephus Nelson Larned, 1895 *Assessing and Correcting Reading and Writing Difficulties* Thomas G. Gunning, 2002 This text provides numerous examples and thorough coverage of procedures for assessing and instructing struggling readers of all ages In keeping with current theory the text emphasizes prevention and early intervention It is based on the premise that student performance is variable and that assessment and instruction are planned and modified to meet the varied needs and levels of students Gunning does not subscribe to a medical model that emphasizes deficiencies but rather focuses on what students can do This text calls for inclusion not exclusion but recognizes that struggling learners need expert carefully planned assessment and instruction Assessment coverage includes a grounding in basic concepts of tests and measurement While formal standardized measures are described emphasis is placed upon informal but highly regarded techniques such as the informal reading inventory miscue analysis running records observation think alouds holistic scoring of writing and portfolio assessment In addition to chapters devoted specifically to assessment ways to connect assessment and instruction are mentioned throughout the text Coverage of instructional techniques is thorough and practical Nine chapters are devoted to instructional techniques

Education for the Professions in Times of Change Linda Clarke, 2020-12-02 The eminent Harvard educationalist Howard Garner writes a preface to the Place Model within his Good Project Blog which provides a preface to this timely book Professional is a slippery term open to willful abuse misuse and misunderstanding as evidenced by the ways in which this chameleon term can be used as both a compliment and an insult In this book academics from a range of professional fields deconstruct professional and reimagine professionals in an age of rapid change where professionals are both increasingly in demand and frequently under threat Several deploy the lens of Clarke's Place Model to examine professions including teaching midwifery social work journalism and optometry Some papers are empirical and some are based around using the Place Model as a thought experiment All turn a critical eye on professionals and all find them to be like all humans neither devils nor divines Maya Angelou but at their best a combination of two indispensable characteristics trustworthiness and expertise

**Spaces for Diplomacy** Tomáš Černušák, Jiří Hrbek, Štěpán Vácha, 2025-10-01 For the majority of Emperor Rudolf II's rule 1576 1612 Prague was the city of his permanent residence The ruler's presence as well as the presence of his court attracted diplomats and diplomatic actors They included ambassadors permanently representing leading European rulers smaller or larger foreign delegations coming to the emperor with specific temporary tasks numerous agents representing smaller states or interests of various individuals Their activities were connected to a certain space which can be understood in two senses as a topographically defined place and as a social space formed or influenced by people acting on the other hand The book uses various examples of diplomatic actors in Prague to explore interesting questions Which places in Prague could be considered the key ones from the diplomatic actors' point of view How did the main aims of the diplomats that is negotiation information gathering and representation manifest themselves in various places How did the diplomatic actors perceive the space of the residential city Did the diplomatic actors attempt to somehow modify delimit or transform their spaces themselves
