**The Catalysts, and Other Poems** Penelope Grogan, 1991      *The Concepts of Love in William Butler Yeats's Poetry* Stefan Hinterholzer, 2007-09 Seminar paper from the year 2007 in the subject English Language and Literature Studies Literature grade 1 University of Innsbruck Department of English course The Irish Literary Revival 2 entries in the bibliography language English abstract Love was one of William Butler Yeats's great inspirations. It was love that kept him moving and developing. It was love that confused him and made him reflect. It was love that shattered him and made him mourn. Yeats's experience with love was rich and fulfilling as well as frustrating and devastating. In order to come to a better understanding of Yeats's love poetry, we need to take a look into his private life. Yeats met the fiery revolutionary Maud Gonne in 1889. He fell deeply in love with her and would propose to her in 1891, 1899, 1900, 1901, and 1916. Gonne had no use for Yeats's proposals. However, she did have a use for his talents. Gonne would use Yeats for his ability as an orator. Maud Gonne, dragging him at her heels on nationalist agitations, soon found that he was a natural orator and could easily dominate committees. Maud Gonne would continue to turn Yeats's proposals down, yet she continued to be the catalyst for the finest love poetry Yeats would ever create. Gonne would once ask for Yeats's help in London, ending a brief but happy love affair with Olivia Shakespear. Sensing divided loyalty, Shakespear would end the affair, and it was shortly thereafter that Lady Gregory would save Yeats from a potentially more tragic end like the poets of the tragic generation of the mad and madly. Yeats really loved Maud Gonne. She was the love of his life, and still, she would never really react to let alone return his love. Yeats has experienced the many different facets of love through this continuous interaction between his everlasting true and sincere affection and dedication and her cold and calculating rejection. But although this may be a personal tragedy, it also resulted in something positive and beautiful.
