From here I will start my life From here I will build a bridge walk on it go up to the top of the ranks that many people dream of break all the barriers that stand in my way and walk on it and then rise to the top and raise my head I dream of a prosperous future a lot one that can fill my life with joy and happiness and raise the reputation of my family Yes I was born to a low income but respectable family and I was subjected to the worst methods of persecution I have received tempting offers from senior people in businesses about selling my beautiful body to them so they could relish it on quiet music strings and piano tones I didn t care about the palaces filled with bliss I couldn t get and I turned down all these offers and walked with a clean pure and flawless face to confront a bitter and difficult life But I promised myself to strike hard at the one who hurt my family and me who distorted my good reputation I have a hellish internal power I m not going to show it right now but I will unleash it in front of the one who thinks he can buy me with money I lost my family and I stayed alone and had no one in my life but I will take revenge on the one who destroyed my life I will raise the flag of triumph in the end Email sabahnouri145@gmail.com Instagram sabah_naji_ Twitter NajiSabah
