## **The Dark Goddess:**

The Dark Goddess Marvin H. Albert,1979-01    Year of the Dark Goddess Lara Vesta,2024-05-06 A guided journey of empowerment and healing through life's difficult passages with practical tools including embodied rituals writing prompts seasonal self care practices and community creation The journey of the Dark Goddess is a natural part of any difficult rite of passage These transitions are often thought of as negative death of a loved one job loss home loss chronic illness divorce but even so called happy transitions such as marriage the birth of a child or retirement can come with unexpected instability grief and a need for integration In our culture we may often feel like we should move on or get back to normal In studying myth however we come to understand that the purpose of challenging life transformations is not positive or negative Year of the Dark Goddess provides an anchor and a roadmap for navigating the disorientation of life transformations and offers resources for embracing changes as initiations that strengthen us and make clear our purpose and power The book is modeled on ancient rite of passage ceremonies and journeys to the underworld and is structured as a four phase rite of passage process Preparation Separation from the Known Transition Initiation and Return Integration The book provides readers with practical tools embodied rituals writing practice seasonal self care and community creation to ground and empower positive transformations in times of challenging change Readers may use the book as both a linear guide through the initiation year or a nonlinear tool for structuring their own unique rite of passage journey Readers are invited to create personal challenges reframe their rite of passage through myth work and sacred art and create a potent and effective rite of passage ceremony to integrate their change The self initiation process in Year of the Dark Goddess follows a ceremonial year each quarter section is structured with the following An interactive brief of themes and objectives for the quarter such as making an altar writing with the ancestors creating herbal infusions and storytelling A seasonal ceremony template appropriate to the rite of passage phase A unique retelling of an ancient myth or fairy tale and instructions for deep myth work These tales contain the formula for how to successfully navigate rites of passage consciously and unconsciously Journaling prompts for reflection and projection making visible the initiation journey    Journey to the Dark Goddess Jane Meredith,2012-05-25 For anyone who wants to do serious inner work with their dark or shadow self I highly highly recommend this book Jessica Elizabeth Facing North Journey to the Dark Goddess will lead you on a powerful healing path In the stories of ancient Goddesses you will hear your own soul calling out to you The Dark Goddess is the creatrix of healing change and renewal She offers connection with the core of yourself If you have been unable to shake off depression or fear its return if you have inexplicable blank patches in your life if you know that something is missing or something is calling to you if you seek the source of women's power it's time to journey to the Dark Goddess The for this journey to the Dark Goddess exists in ancient myth Weaving the stories of Inanna Persephone and Psyche with self enquiry and sacred ritual we learn to journey internally creating maps in our darkest places and return enriched integrating our deepest understandings
