## **The Deadest Thing You Ever Saw:**

**The Worst Thing You Ever Did** Karen Perry, 2023-10-26 Faye's life is finally on track. She's got a wonderful circle of friends, a thriving career and a husband who loves her. None of them suspects anything about her darkest secret. The only person who knows is Michael, her first love and the trauma of what they did tore them apart. But she's managed to put it behind her. She's a different person now. The past can stay buried. And then Michael comes back. He wants to reconnect. And if she doesn't let him in, he's going to tell everyone about the worst thing they ever did.

**PRAISE FOR KAREN PERRY**  
Slick, engrossing, twisted and addictive. Domestic crime drama at its best. Highly recommended. *Jo Spain* Like *Gone Girl* it's the most gripping thing I've read for ages. *Evening Standard* Truly remarkable. Grips your heart from the first pages and simply never lets go. *Jeffery Deaver* Tense, unpredictable, blending a thriller with an intimate family story to produce a most compelling read.

**All The Things You Never Knew/Certain Things You Ought To Know** Amber L. Carter, 2013-01-06 So maybe it's the stakes. If you kiss me in the snow, I will always wait for you to call first. If you trek out alone into the rugged wilderness to avenge your honor, I am coming in after you. This combined collection of short stories and literary essays by

Amber L. Carter gives voice to what we wish those who made their way into our hearts could have known and what we still

need to know for ourselves after they've made their way out again. With the glittering twin cities of Minneapolis and St. Paul and the quiet woods of northwest Wisconsin serving as a backdrop to her chronicles of pounding love and crashing pain, and that

pretty ache Carter's keen and unflinching observations of the intricacies of the human heart mixed with a complex

vulnerability and a delightfully wry humor make each piece both intensely absorbing and startlingly familiar.

## **Half Loaves**

**Margaret Culkin Banning**, 2025-03-02 In *Half Loaves*, Margaret Culkin Banning delves into the complexities of human relationships and the inherent struggles of modern life through a series of interconnected stories that reflect the emotional and social landscape of 20th century America. Utilizing a clear yet poignant literary style, Banning explores themes of sacrifice, desire, and the search for identity, creating a rich tapestry of characters whose lives oscillate between fulfillment and disappointment. This work serves not only as a vehicle for personal exploration but also as a reflection of broader societal changes occurring during the time of its publication in the late 1930s, situating Banning within the context of other prominent American writers of her era such as Willa Cather and Edna Ferber. Margaret Culkin Banning, an influential figure in early 20th century American literature, was known for her ability to eloquently portray the nuances of womanhood and domestic life. Drawing on her own experiences and the societal expectations placed upon women, Banning infused her writing with authenticity and emotional depth. This background, coupled with her fierce advocacy for women's rights and her keen observational skills, undoubtedly influenced the thematic core of *Half Loaves*, making it a compelling exploration of personal sacrifice. This richly woven narrative is recommended to readers who appreciate character-driven stories that poignantly reflect the human condition. Banning's work encourages introspection and poses significant questions about the choices we

make and the lives we lead Half Loaves is a testament to Banning's skill as a storyteller and her relevance in American literary history making it a must read for enthusiasts of classic American literature     *A Kiss to Tell* W. Winters, Willow Winters, From USA Today bestselling author W. Winters comes a emotionally gripping standalone romantic suspense I didn't need anyone to tell me I knew he was forbidden with a single glance He was a boy I should've been afraid of and definitely a boy I should've never wanted No matter how much neither of those statements were true From the first time I saw him Sebastian had a hard stare that pinned me in place And years later it hasn't softened We lived on the same street and went to the same school although he was a year ahead Even so close he was untouchable He was bad news and I was the sad girl who didn't belong One night changed everything We both had secrets We both saw the pain in each other's eyes The gaze that gave me chills turned to a lust filled haze that heated every inch of me But that didn't change who he was A man who would take everything from me     **The House of Raby, Or, Our Lady of Darkness** Jane Margaret (Winnard) Hooper ("Mrs. George Hooper."), 1884     *Lippincott's Monthly Magazine*, 1898

families at Fort Hood Making War at Fort Hood offers an illuminating look at war through the daily lives of the people whose job it is to produce it Kenneth MacLeish conducted a year of intensive fieldwork among soldiers and their families at and around the US Army's Fort Hood in central Texas He shows how war's reach extends far beyond the battlefield into military communities where violence is as routine boring and normal as it is shocking and traumatic Fort Hood is one of the largest military installations in the world and many of the 55 000 personnel based there have served multiple tours in Iraq and Afghanistan MacLeish provides intimate portraits of Fort Hood's soldiers and those closest to them drawing on numerous in depth interviews and diverse ethnographic material He explores the exceptional position that soldiers occupy in relation to violence not only trained to fight and kill but placed deliberately in harm's way and offered up to die The death and destruction of war happen to soldiers on purpose MacLeish interweaves gripping narrative with critical theory and anthropological analysis to vividly describe this unique condition of vulnerability Along the way he sheds new light on the dynamics of military family life stereotypes of veterans what it means for civilians to say thank you to soldiers and other questions about the sometimes ordinary sometimes agonizing labor of making war Making War at Fort Hood is the first ethnography to examine the everyday lives of the soldiers families and communities who personally bear the burden of America's most recent wars
