Deadly Innocent Babu Gautam, 2020-04-06 Deadly Innocent picaresque on more than one counts imaginatively recounts the short lived life of an adolescent rebel Leelu The picaro here is a troubling teenager whose exploits come as cries to the busy world and go unheard On a factual account he's a rebel without cause But the facts make way for the truth when we come across the uncut reality of an adolescent underworld in the times of cholera and war In a rising republic of sufferings and hope India that was Leelu the rascal kid lived his today as if there's no tomorrow In a quasi Freudian account Leelu's delinquency is essentially a consequence of the broken family Unlike his perennially absent father Leelu asserts his presence wherever he is to pronounce himself a real man The reason behind his destructive acts is nothing but you gotta do something against the authoritative system For an errant boy on the verge of being declared enemy of the society and the cash being in the hands of the social authority vanishing into thin air was the only way to redemption if it has to be The truth remains at the end that Leelu was too damaged to have survived

Deadly Innocent Bill Gallaher, 2011-02-01 Best selling chronicler of the gold rush Bill Gallaher now brings us the compelling story of the Rennie brothers Lured by dreams of wealth and a better life William Gilbert and Thomas Rennie set out for the Cariboo goldfields in the spring of 1862 But because of their late departure they encountered unimaginable consequences They crossed the prairies in good order with the famous Father Lacombe and continued along the well marked trail of the Overlanders into the mountains But after that nothing went according to plan Deadly Innocent captures the essence of this drama in its riveting account of love hope and the limits of human endurance The third of Bill Gallaher's chronicles of the Cariboo gold rush Deadly Innocent is a captivating addition to his treasure trove of stories about the gold rush and fascinating characters from B C's past
