THE DEFEAT OF BAUDELAIRE

RENÉ LAFORGUE

CHARLES BAUDELAIRE is universally recognized as one of the greatest French poets of the nineteenth century. Of the many psycho-analytical studies of artists that have been published, there can be few so sympathetically penetrating as this of Baudelaire by Dr. Laforgue, the leading French psycho-analyst. The book includes a chapter on the psychology of art and a further chapter on the social significance of the neuroses, which are of the greatest interest.

Psychobiographical Illustrations on Meaning and Identity in Sociocultural Contexts Claude-Hélène Mayer,Paul, J.P. Fouché,Roelf Van Niekerk,2022-01-01 This book explores psychobiography with focus on meaning making and identity development in the life and works of extraordinary individuals Meaning making and identity development are existential constructs influencing psychological development mental health and wellbeing across the lifecourse The chapters illustrate through the eyes of 25 international psychobiographers various theoretical and methodological approaches to psychobiography They explore how individuals such as Angela Merkel Karl Lagerfeld Henri Nouwen Vivian Maier Charles Baudelaire W E B du Bois Lor nt Heged s Kim Philby Zoltan Paul Dienes Albertina Sisulu Ruth First Sokrates and Jesus construct their lives to make meaning develop their identities and grow as individuals within their sociocultural contexts The texts provide deep insight into life s development **Foucault on the Arts and Letters** Catherine M. Soussloff,2016-10-06 As one of the most important philosophers of the 20th century Michel Foucault s reputation today rests on his political philosophy in relation to the contemporary subject in a neo liberal and globalized society This book offers insight into the role of the arts in Foucault s thought as a means to better understanding his contribution to larger debates concerning contemporary existence Visual culture literary film and performance studies have all engaged with Foucauldian theories but a full examination of Foucault s significance for aesthetic discourse has been lacking until now This book argues that Foucault s particular approach to philosophy as a way of thinking the self through the work of art provides significant grounds for rethinking his impact today The volume moves across as many disciplinary boundaries as Foucault himself did demonstrating the value of Foucault s approach to aesthetic discourse for our understanding of how the arts and humanities reflect upon contemporary existence in a globalized society **The Oceanic Feeling** J.M Masson,2012-12-06 By way of a personal note I can reveal to the reader that I was led to Sanskrit by an exposure to Indian philosophy while still a child These early mystical interests gave way in the university to scholarly pursuits and through reading the works of Franklin Edgerton Louis Renou and Etienne Lamotte I was introduced to the scientific study of the past to philology and the academic study of an ancient literature In this period I wrote a number of books on Sanskrit aesthetics concentrating on the sophisticated Indian notions of suggestion This work has culminated in a three volume study of the Dhvanyaloka and the Dhvanyalokalocana for the Harvard Oriental Series Eventually I found that I wanted to broaden my concern with India to learn what was at the universal core of my studies and what could be of interest to everyone In reading Indian literature I came across so many bizarre tales and ideas that seemed incomprehensible and removed from the concerns of everyday life that I became troubled Vedantic ideas of the world as a dream for example to which I had been particularly partial seemed grandiose and megalomaniac I turned away with increasing scepticism from what I felt to be the hysterical outpourings of

mystical and religious fanaticism The Major Literary Seminars of Jacques Lacan Santanu Biswas,2024-08-20 The Major Literary Seminars of Jacques Lacan considers the three key phases of Lacan s interest in literary topics Santanu Biswas first examines the seminars given between 1955 and 1961 in which Lacan spoke on Edgar Allan Poe s short story The Purloined Letter Hamlet Sophocles Antigone and Paul Claudel s The Co fontaine Trilogy and where literature is related to meaning This is followed by an exploration of Lacan s seminar on Lituraterre in 1971 wherein Lacan elaborates on the different ways in which literature appeared to turn towards lituraterre Finally Biswas considers Lacan s 1975 1976 seminar on James Joyce who created literature out of litter and was concerned with jouissance rather than with meaning The Major Literary Seminars of Jacques Lacan will be of great interest to Lacanian psychoanalysts other mental health practitioners interested in the teachings of Lacan and academics and students of Lacanian studies literature and psychoanalysis Publisher of the Mind Brett Kahr,2025-08-07 Karnac Books was founded on 24 March 1950 by Harry Karnac as a general interest bookshop at Gloucester Road London SW7 Following strong sales of a D W Winnicott title Harry Karnac began to increase his stock of mental health titles until they came to occupy the full floor of the shop s basement Word spread through the global mental health community and Karnac Books became the epicentre for English mental health publications not only as a must visit venue but also as a thriving mail order business Before long Harry took the plunge into publishing alongside bookselling and the Karnac imprint was born Since 1950 Karnac has changed hands several times and Brett Kahr has met befriended and interviewed every single owner from the eponymous Harry Karnac to the present day His detailed knowledge as customer author and friend of Karnac makes him the perfect person to write this history undertaken as a labour of love and published to celebrate Karnac s 75th anniversary The book begins with an amusing introduction on the welcome affliction of Karnacitis swiftly followed by a comprehensive history of early psychoanalytic publishing before leading into the first instalment of the chronicles of Karnac The behind the scenes story of the iconic Karnac Books shows why it rose to be a pivotal member of the mental health community and continues to this day **Selected Writings: 1938-1940** Walter Benjamin,1996 Comprising more than 65 pieces journal articles reviews extended essays sketches aphorisms and fragments this volume shows the range of Walter Benjamin s writing His topics here include poetry fiction drama history religion love violence morality and mythology Chicago Psychoanalytic Literature Index, 1920-1970 Institute for Psychoanalysis,1971 **The Index of Psychoanalytic Writings** Alexander Grinstein,1957 *The Index of Scientific Writings on Creativity: Creative Men and Women* Albert Rothenberg,Bette Greenberg,1974 **Chicago Psychoanalytic Literature Index** ,1971 *Subject Catalog, 1978* Library of Congress,1978 Proceedings of the Society for Psychical Research Society for Psychical Research (Great Britain),1934 University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles University of California (System).
