**The Delicate Creation** Christopher Derrick, 1972      EPA-600/5 , 1974-02      *Theology and Technology* Carl Mitcham, Jim Grote, 1984      **The Delicate Creation** Christopher Derrick, 1972      **An Ecological Theology** Clifford C. Cain, 2009 This study examines the historical roots of hierarchical dualism the dominant attitude characterizing the Western approach toward nature which both separates humans from and elevates them above nature allowing for exploitation of resources      **T&T Clark Handbook of Christian Theology and Climate Change** Hilda P. Koster, Ernst M. Conradie, 2019-12-12 The T these essays are critically engaged by respondents situated in other geographic regions minority communities non Christian traditions or non theological disciplines Structured in seven main parts the handbook explores 1 the need for collaboration with disciplines outside of Christian theology to address climate change 2 the need to find common moral ground for such collaboration 3 the difficulties posed by collaborating with other Christian traditions from within 4 the questions that emerge from such collaboration for understanding the story of God s work and 5 God s identity and character 6 the implications of such collaboration for ecclesial praxis and 7 concluding reflections examining whether this volume does justice to issues of race gender class other animals religious diversity geographical divides and carbon mitigation This rich ecumenical cross cultural conversation provides a comprehensive and in depth engagement with the theological and moral challenges raised by anthropogenic climate change      **Tao te Ching** Lao Tzu, 2021-04-06 Although translations and interpretations of the Tao te Ching abound and new editions are released yearly few accomplish the hard work of linking and bridging the Tao s profound message to the needs of modern readers There may be a profusion of versions but our lives and our world reflect little of the deep transformative potential of this important text Marc S Mullinax s new translation grows

from extensive teaching experience and combines a deep understanding of the Tao's fourth century BCE Chinese context with an exciting two part application of that text to contemporary life First each of the eighty one verses is joined by a richly curated array of quotes sayings poems and stories from wisdom traditions around the globe With quotes ranging from Emerson to Pink Floyd and from the apostle Paul to Margaret Atwood the Tao's meaning comes alive in conversation with others Second a brief reflection puts the verse in historical context and highlights the transformative power of Wu Wei the non interfering action perfectly timed to promote peace and prevent injury to bring joy and justice to a hurting world

**Theological Studies** William James McGarry, John Courtney Murray, 1973      Contemporary Religious Ideas G. Edward Lundin, Anne H. Lundin, 1996 Twelve experts address contemporary religious issues and literature in this fascinating group of bibliographic essays that cut across faith and denominational boundaries The result is an enlightening overview of organized religion and spirituality today Topics include the African American Church ecology and religious responsibility spirituality and aging fiction for the faithful feminism and theology Judaism Islam Latin American liberation theology developing a church library and world religions Designed for collection development librarians pastors rabbis and religious study group leaders this collection offers an introduction to each subject covered and lists resources for further study      **Environment** Kenneth E. Hornback, W. Keith Warner, 1973      **Environmental Philosophy** Michael E. Zimmerman, J. Baird Callicott, 1998 This significant collection of recent essays some especially written for this volume offers readers insightful philosophical discussions of current environmental problems as viewed from a wide variety of perspectives This anthology is unique in part because each section is edited by a leading philosopher in the field      Ecophilosophy Donald Edward Davis, 1989

**Ecstasy Within Discipline** John B. Houghen, 1995 Ecstasy Within Discipline is a study of the theological and spiritual dimensions of Richard Wilbur's poetry First it places Wilbur in the context of a generation of American writers who were searching for poetic ways to acknowledge the power of life's non rational dimensions including the spiritual Then it traces the several strategies found repeatedly in Wilbur's poems by which the poet leads his readers toward significant theological insights and spiritual encounters Finally Wilbur's understanding of the relationship of spirit and the material world is compared with that of Emerson Dickinson Frost Merton and the Christian scriptures Richard Wilbur proves to be a writer whose immense skill at his craft is matched by the profundity of his exploration of the human spirit and the transcendence for which it hungers This is the first book length study of Wilbur's poetry to focus on its theological and spiritual import BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      The Thomist, 1987 A speculative quarterly review
