## **The Demiparadise:**

**This Demi Paradise, this Ceylon** A. A. Russell,1969      **This Demi-paradise** Margaret Halsey,1960      **From the Battlefield to the Big Screen** Melody Foreman,2022-11-04 Look closely behind the lives of the stars who appeared in a host of legendary war films and discover how memories of their real life experiences in the armed forces were haunted with heartbreak and yet filled with extraordinary heroism Just what did America s most decorated soldier Audie Murphy go through in battle which led him to star as himself in the classic war film To Hell and Back When the Japanese attacked Pearl Harbor in December 1941 Murphy joined the US Army aged just 17 He went on to fight at Anzio the Colmar Pocket and Nuremberg And for single handedly holding off an enemy attack he was awarded the Congressional Medal of Honor But Murphy s military and celebrity stardom did little to extinguish the pain of his private battle to fit in to a new post war world he perceived as disappointing shallow and unfulfilling Tormented by PTSD Murphy was a man unable to escape from his past Only the great director and decorated wartime documentary maker John Huston gained Murphy s true respect When war broke out on 3 September 1939 a number of British stars including Laurence Olivier his future wife Vivien Leigh and David Niven were in the United States under contract to the Hollywood Studios Keen not to shirk their duties at home and against advice from the British Consul they made their way back to Blighty Olivier joined the Royal Navy s Fleet Air Arm as a pilot Then with Churchill s approval he directed and starred in powerful propaganda films including Shakespeare s Henry V In 1943 the beautiful Vivien Leigh ruined her health by enduring the brutalities of the North African climate to entertain the troops in the desert Meantime Dirk Bogarde was a British Army intelligence officer seconded to the pioneering RAF Medmenham where he studied aerial photographs and pinpointed enemy targets for Bomber Command As Lieutenant van den Bogaerde he was posted to France just after D Day He went on to star in many leading war films such as Appointment in London 1953 and King and Country 1964 Years later in 1991 Sir Dirk Bogarde was interviewed by the author of this book He had witnessed the horrors of Belsen in April 1945 and said it changed his attitude to life forever In this book the author honors the real life stories of some big screen idols who showed true grit behind the glamor      **Millions Like Us?** Nick Hayes,Jeff Hill,1999-04-01 This collection of essays brings together the latest historical research on cultural production and reception during the Second World War Its starting point is how this war was presented to and understood by contemporaries and how they differentiated it from earlier conflicts Although this was particularly noticeable in the construction of ideas of inclusiveness and commonality where the people pulled together to secure victory and a socially equitable peace the essays also seek to explore the diversity of institutional and personal experiences Essays look at major national institutions and industries such as the recently formed BBC the culturally diverse and rapidly expanding commercial press and the British film industry The collection explores the role of the individual agent with studies on established writers and composers and how each related to the collective rationales of wartime      **Anthony Asquith** Tom Ryall,2005 This is the

first comprehensive critical study of Anthony Asquith Ryall sets the director's work in the context of British cinema from the silent period to the 1960s examining the artistic and cultural influences which shaped his films Asquith's silent films were compared favourably to those of his eminent contemporary Alfred Hitchcock but his career faltered during the 1930s However the success of Pygmalion 1938 and French Without Tears 1939 based on plays by George Bernard Shaw and Terence Rattigan together with his significant contributions to wartime British cinema re established him as a leading British film maker Asquith's post war career includes several pictures in collaboration with Terence Rattigan and the definitive adaptation of Oscar Wilde's The Importance of Being Earnest 1951 but his versatility is demonstrated in a number of modest genre films including The Woman in Question 1950 The Young Lovers 1954 and Orders to Kill 1958 **Shakspere's Werke** William Shakespeare,1872 **This is England** Neil Rattigan,2001 Third that the condition of total war in which Britain found itself a short time after the commencement of hostilities would mean that films and indeed all mass popular culture would respond to the urgency of the situation by taking a special interest in representations of British society And fourth following on from this that British films of the Second World War would one way or another be agents of propaganda From these propositions the book examines just what these films had to say about social class in the images of Britain they were promulgating with the corollaries of just how were they saying it and why were they saying it Alongside this is a concern with what propaganda purposes were being met by these films Jacket **British National Cinema** Sarah Street,2009-06-02 The first substantial overview of the British film industry with emphasis on its genres stars and socioeconomic context British National Cinema by Sarah Street is an important title in Routledge's new National Cinemas series British National Cinema synthesizes years of scholarship on British film while incorporating the author fresh perspective and research Street divides the study of British cinema into four sections the relation between the film industry and government specific film genres movie stars and experimental cinema In addition this beautifully illustrated volume includes over thirty stills from every sphere of British cinema British National Cinema will be of great interest to film students and theorists as well as the general reader interested in the fascinating scope of British film **The Complete Concordance to Shakspere: Being a Verval Index to All the Passages in the Dramatic Works of the Poet.** (New Ed.)
