The Devils Innocents

The Devils Innocents:

The Evil and the Innocent Senator Bill Diamond,2012-03 The potential interest in this book could be measured by the fact that for the past 3 years the online website for the Maine Sex Offender Registry has had 8 million hits each year The Evil and the Innocent presents a real life and true inside look at the tragedies and suffering of the victims of sexual assault Those who committed these crimes against the innocent are described and discussed in detail revealing the sadistic fantasies that swirl in the heads of child sex offenders and how these fantasies manifest themselves into reality with total disregard for the pain and suffering inflicted on the victims the children These real and actual cases expose heartbreak and sometimes nauseating facts of sexual assaults and molestations As difficult as it may be for the reader these documented details are openly displayed in the book and will stay with the reader for a long time Seeing the dead eyes and helpless faces of little children who suffered the onslaught of cruel and inhumane acts are necessary ingredients if change is to occur The book may startle and sicken you because of the cold hard facts that until now have been hidden from you Why to protect you Real life suffering must be brought to the light of day so the collective you demands that it stop no matter the cost Wheelers co nz
