

The General Strike

Jean Clarke Fisher

The General Strike:

The General Strike Julian Symons, 2014-07-01 In May 1926 Britain was gripped by the General Strike This downing of tools lasted for nine days during which time it divided the people threatened the survival of the government and brought the country nearer to revolution than perhaps it had ever been Symons draws upon contemporary reports letters and oral sources along with TUC records The General Strike 1926 David Brandon, 2023-06-30 The General Strike was one of the most significant events in twentieth century Britain The miners were locked out and the mass of rank and file trade unionists then came out on strike in their support With their families and some middle class sympathizers the miners and the labor and trade union movement found itself pitched against the political establishment the apparatus of the state the powerful mineowners backed by the Conservative Government and most of the media of the time in what was the sharpest form of class conflict short of political revolution It had always said that the British didn't do general strikes In 1926 they certainly did 2026 will mark the one hundredth anniversary of the General Strike and under the very different economic social and political conditions of post industrial post Brexit Britain it is worth revisiting and examining the complicated coming together of factors which were eventually to lead to those extraordinary days in May 1926 when the fate of the nation lay in the balance The author examines the economic social and political processes taking place from the mid nineteenth century and argues that this major confrontation between labor and capital was probably inevitable He examines particularly the symbiotic relationship between the coal miners and the railway workers and the troubled industrial relations in those industries His informed and lucid account should interest students of modern British history labor history and the fortunes of the railways in this period The Seattle General Strike Robert Friedheim, 2018-11-06 We are undertaking the most tremendous move ever made by LABOR in this country a move which will lead NO ONE KNOWS WHERE With these words echoing throughout the city on February 6 1919 65 000 Seattle workers began one of the most important general strikes in US history For six tense yet nonviolent days the Central Labor Council negotiated with federal and local authorities on behalf of the shipyard workers whose grievances initiated the citywide walkout Meanwhile strikers organized to provide essential services such as delivering supplies to hospitals and markets as well as feeding thousands at union run dining facilities Robert L Friedheim's classic account of the dramatic events of 1919 first published in 1964 and now enhanced with a new introduction afterword and photo essay by James N Gregory vividly details what happened and why Overturning conventional understandings of the American Federation of Labor as a conservative labor organization devoted to pure and simple unionism Friedheim shows the influence of socialists and the IWW in the city's labor movement While Seattle's strike ended in disappointment it led to massive strikes across the country that determined the direction of labor capital and government for decades The Seattle General Strike is an exciting portrait of a Seattle long gone and of events that shaped the city's reputation for left leaning activism into the twenty first century The General Strike, May 1926 Robert Page Arnot, 1975

The General Strike Jean Clarke Fisher, 1964 **The General Strike** Margaret Morris, 1980 The General Strike and the General Betrayal John Pepper, 1926 *Three Speeches on the General Strike* John Allsebrook Simon Simon (Viscount), 1926 *The General Strike, May 1926, Its Origin & History* Robert Page Arnot, 1926 **The General Strike** Patrick Renshaw, 1975-01-01 *The Theory of the General Strike from the French Revolution to Poland* Phil H. Goodstein, 1984 The General Strike of 1926 Keith Laybourn, 1993 Examines the reasons for the General Strike and its significance for British society focusing on events such as Black Friday and on the constitutional issues raised The book argues that the strike was inevitable but asserts that it was not the disaster that it is often presented as being **A Bibliography of Industrial Relations** G. S. Bain, Gillian B. Woolven, G. B. Woolven, 1979-03-29 Reference book comprising a bibliography aiming to bring together secondary source interdisciplinary material on labour relations in the UK between the years 1880 and 1970 covers employees attitudes trade unions and employees associations employers organizations the labour market and working conditions etc **Library of Congress Subject Headings** Library of Congress, 1994 The Road Not Taken Frank McLynn, 2012-07-05 Britain has not been successfully invaded since 1066 nor in nearly 1 000 years has it known a true revolution one that brings radical systemic and enduring change The contrast with Britain s European neighbours France Germany Italy Spain Greece Russia is dramatic all have been convulsed by external warfare revolution and civil war and experienced fundamental change to their ruling elites or social and economic structures Frank McLynn takes seven occasions when Britain came closest to revolution the Peasants Revolt of 1381 the Jack Cade rebellion of 1450 the Pilgrimage of Grace in 1536 the English Civil Wars of the 1640s the Jacobite Rising of 1745 6 the Chartist Movement of 1838 48 and the General Strike of 1926 Why at these dramatic turning points did history finally fail to turn McLynn examines Britain s history and themes of social religious and political change to explain why social turbulence stopped short of revolution on so many occasions **The General Strike, 1926**, 1965 The General Strike May 1926 Robert Page Arnot, Labour Research Department (Londres), 1973 **Nine Days in May** Jonathan Schneer, 2025-12-25 The General Strike of 1926 the tragic story of how the world s best organized working class confronted the world s most powerful and self confident government In May 1926 nearly three million British workers downed tools to support nearly one million of their countrymen miners whose employers meant to lengthen their working day and cut their pay This General Strike brought the country to a grinding halt which according to Conservative Prime Minister Stanley Baldwin represented a threat not merely to the nation but to the parliamentary system itself For nine days the world s best organized working class confronted the world s most powerful and self confident government And yet the outcome was never in doubt for Britain s most important trade union leaders thought as Baldwin did although they kept saying they were engaged in a wages dispute only Really they feared winning even more than they feared losing In *Nine Days in May* award winning author and historian Jonathan Schneer mines hitherto untapped archival sources to explain why and how the Strike came about why and how it was waged and

countered why and how it ended In addition to government reports and TUC reports he uses reports of undercover agents and spies special constables sworn in for the duration of the Strike volunteer strike breakers Communist agitators trade union leaders and rank and file members of trade unions also of course the papers of politicians of all parties This is a tale of Shakespearian dimensions replete with tragic heroes and villains and buffoons and opportunists and double dealers and contending evenly matched forces both of which meant to do their duty whatever the cost There may never be another general strike in Britain but the General Strike of 1926 was one for the ages illuminating the human condition *General Strike May 1926* Emile Burns,1926 The General Strike Julian Symons,2013

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **The General Strike**

In a world inundated with screens and the cacophony of quick communication, the profound power and mental resonance of verbal beauty often diminish in to obscurity, eclipsed by the continuous assault of noise and distractions. Yet, set within the lyrical pages of **The General Strike**, a captivating perform of literary elegance that pulses with fresh feelings, lies an wonderful trip waiting to be embarked upon. Composed by a virtuoso wordsmith, this interesting opus books readers on a mental odyssey, lightly revealing the latent possible and profound impact embedded within the delicate internet of language. Within the heart-wrenching expanse with this evocative evaluation, we can embark upon an introspective exploration of the book is main themes, dissect its fascinating writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
