The Ghost Writer Brian Warner,2024-12-20 **Becoming a Ghostwriter** Karen S. Cole,2020-04-04 I am a successful ghostwriter who founded and runs Ghost Writer Inc To explain this book isn t a book in the traditional sense Rather it s an exploration through the many articles and posts I ve created on ghostwriting Over the years I ve amassed a wealth of my own expertise and information on what you can do to become a ghostwriter And what exactly ghostwriting is all about I ve been online and in the ghostwriting services business since 2003 I started sending work out to members of my ghostwriting team in 2005 Below is an article I wrote outlining how I began my dream in the basement of our house in Gahanna Ohio in 1974 Bear with me I may repeat myself a few times throughout this book But suffice it to say in spite of some redundancies this book will be a valuable guide to you and your own dreams of becoming a ghostwriter Whether you spell it ghost writer or ghostwriter I am a book ghost writer I run a ghostwriter services company Either spelling of ghost writer is okay Ghost writers here work on books manuscripts scripts screenplays music and lyrics We also do marketing and promotions like I said but I only do book ghost writing I don t edit so much anymore I work in the direction of expert ghost writing because I have well over a decade of experience at being a ghost and some 30 years of freelance writing in general It s not been absolutely steady My day job was working in home for the disabled and one time back there I studied to become a nurse That fell through because I had to fulfill a special promise to myself I had to start up book ghostwriter services and run Rainbow Writing Inc It happened to me in my basement in Ohio when I was about 14 years old I was reading a Marvel comic book

studying Stan Lee when it hit me that I wanted to run a cattle pen of writers Not a bull pen of only male writers I needed to become something a lot like Stan Lee He s Stan the Man who came up with Spiderman the Hulk the Fantastic Four etc I have never met him in person But he was eerily inspirational for some odd unknown reason And he set me to dreaming Even a young girl like me could grow up becoming a terrific book ghost writer I would live to work in another field than the overly violent muscular comic book one back in the day GHOSTWRITER SERVICES CAME TO ME AS I GAZED AT STAN LEE S BULLPEN NOTES So I invented my company right there in the basement Eventually I was a freelance writer for many years I reported to editors magazine publishers and other cranky irritable bosses Then in January of 2003 I opened up Rainbow online I ve been ghostwriting under my own kind grandmotherly auspices since The steadiest part has been me rewriting and editing book manuscripts However my first genuinely ghost written book sold ridiculously well twelve copies a day from their website It s not just beginner s luck many of my other books have sold remarkably But there are no guarantees in the ghostwriter services industry Your book through us or me alone may sell millions of copies somewhere in between or only a few copies Most of it is up to you and what you want to do with it Some of it is also up to us and what we can do for you for the amount of money you lay out the time you spend and how often you want to get involved in your book ghostwriting project It is a back and forth type of thing between your ghostwriter services and you as our client What you do to promote and sell your book is entirely up to you Whether you hire professional services do the legwork on your own or combine both I highly recommend the third course of action hire us and also do your own stuff Get a book sales website go on a country wide book tour do book signings etc
