

The Glass Cell

**Sir Michael Foster, John Newport
Langley**

The Glass Cell:

The Glass Cell Patricia Highsmith, 2012-05-28 At last back in print one of Patricia Highsmith's most disturbing works. Rife with overtones of Dostoyevsky, *The Glass Cell* first published forty years ago combines a quintessential Highsmith mystery with a penetrating critique of the psychological devastation wrought by the prison system. Falsely convicted of fraud, the easygoing but naive Philip Carter is sentenced to six lonely, drug-ravaged years in prison. Upon his release, Carter is a more suspicious and violent man. For those around him, earning back his trust can mean the difference between life and death. *The Glass Cell's* bleak and compelling portrait of daily prison life and the consequences for those who live it is sadly as relevant today as it was when the book was first published in 1964.

Metals—Advances in Research and Application: 2013 Edition, 2013-05-01 *Metals Advances in Research and Application 2013 Edition* is a ScholarlyEditions book that delivers timely, authoritative and comprehensive information about Alkali Metals. The editors have built *Metals Advances in Research and Application 2013 Edition* on the vast information databases of ScholarlyNews. You can expect the information about Alkali Metals in this book to be deeper than what you can access anywhere else, as well as consistently reliable, authoritative, informed and relevant. The content of *Metals Advances in Research and Application 2013 Edition* has been produced by the world's leading scientists, engineers, analysts, research institutions and companies. All of the content is from peer-reviewed sources, and all of it is written, assembled and edited by the editors at ScholarlyEditions and available exclusively from us.
