The Golden Thread is a metaphor for the continuous, connected way we work in Early Learning and Childcare - linking observation, reflection, planning, action and review. It ensures our decisions are always guided by what's best for the child. This approach is at the heart of Realising the Ambition: Being Me which highlights the importance of a responsive cycle to support each child's individual learning journey.

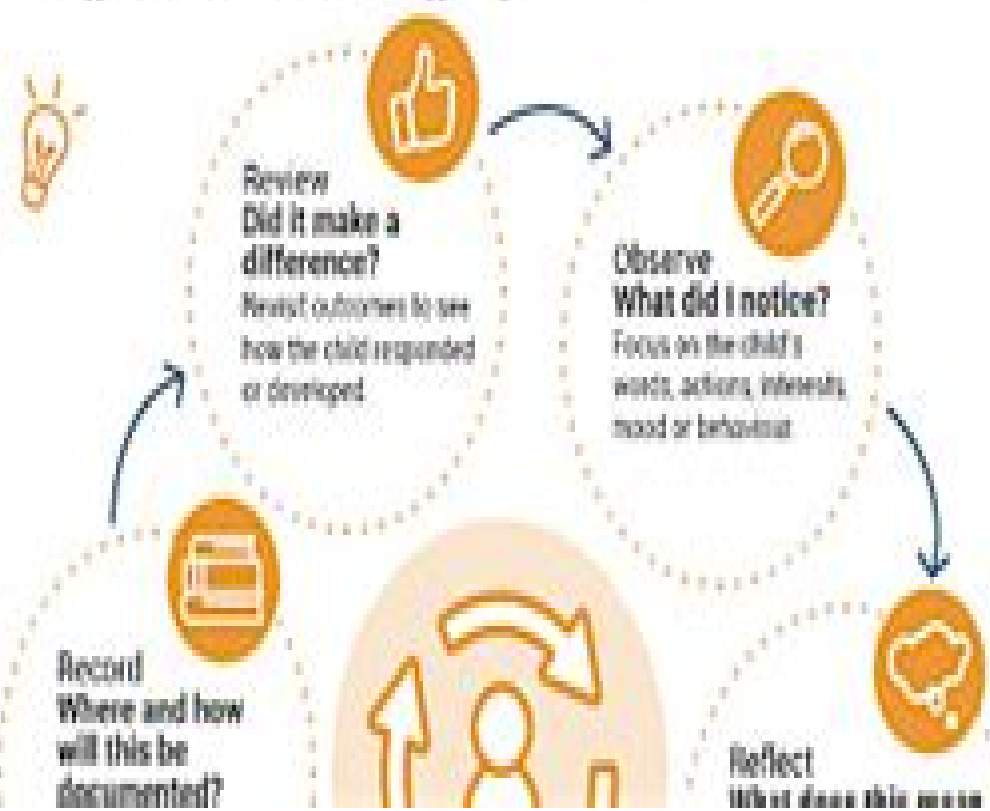

The Golden Thread helps education staff build fluency, confidence and resilience. By following this cycle, we ensure our practice is meaningful and responsive and help to create high quality learning experiences that truly support each child's development.
