## **The Bank In Greenwich Village:**

*Greenwich Village and how it Got that Way* Terry Miller, 1990 Comprehensive look at Greenwich Village s past and present and how the village became America s bohemia Rambling Through Greenwich Village, Washington Square, Lower 5th Ave C. Grand Pierre, 1935 Greenwich Village--Washington Square J. Owen Grundy, 1944 **Greenwich Village** Anna Alice Chapin, 1920 The Village John Strausbaugh, 2013-04-09 Cultural commentator John Strausbaugh s *The Village* is the first complete history of Greenwich Village the prodigiously influential and infamous New York City neighborhood From the Dutch settlers and Washington Square patricians to the Triangle Shirtwaist fire and Prohibition era speakeasies from Abstract Expressionism and beatniks to Stonewall and AIDS the connecting narratives of *The Village* tell the story of America itself Illustrated with historic black and white photographs *The Village* features lively well researched profiles of many of the people who made Greenwich Village famous including Thomas Paine Walt Whitman Edna St Vincent Millay Mark Twain Margaret Sanger Eugene O Neill Marcel Duchamp Upton Sinclair Willa Cather Jack Kerouac Allen Ginsberg Jackson Pollock Anais Nin Edward Albee Charlie Parker W H Auden Woody Guthrie James Baldwin Maurice Sendak E E Cummings and Bob Dylan **Lippincott's Gazetteer of the World** Joseph Thomas, 1895 *Greenwich Village* Ralph I. Bartholomew, 1920 **The Encyclopedia of New York City** Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of *The Encyclopedia of New York City* convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis *Kenneth Burke in Greenwich Village* Jack Selzer, 1996 Capturing the lively modernist milieu of Kenneth Burke s early career in Greenwich Village where Burke arrived in 1915 fresh from high school in Pittsburgh this book discovers him as an intellectual apprentice conversing with the moderns Burke found himself in the midst of an avant garde peopled by Malcolm Cowley Marianne Moore Jean Toomer Katherine Anne Porter William Carlos

Williams Allen Tate Hart Crane Alfred Stieglitz and a host of other fascinating figures Burke himself who died in 1993 at the age of 96 has been hailed as America's most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero Many schools of thought have claimed him as their own but Burke has defied classification and indeed has often been considered a solitary eccentric genius immune to intellectual fashions But Burke's formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with Others magazine Stieglitz's 291 gallery and Eugene O'Neill's Provincetown Players the leftists associated with the magazines The Masses and Seven Arts the Dadaists and the modernist writers working on literary journals like The Dial where Burke in his capacity as an associate editor saw T S Eliot's The Wasteland into print for the first time and provided other editorial services for Thomas Mann e e cummings Ezra Pound and many other writers of note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H L Mencken the New Humanists and the literary nationalists who founded Contact and The New Republic Jack Selzer shows how Burke's own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke's transformation from aesthete to social critic

**Music + Revolution** Richard Barone, 2022-09-15 Even before the Beatnik Riots of 1961 New York City's Greenwich Village was the epicenter of revolutionary movements in American music and culture But in the early 1960s and throughout the decade a new wave of writers and performers inspired by the folk music revival of the 1950s created socially aware and deeply personal songs that spoke to a generation like never before These writers Bob Dylan Buffy Sainte Marie Janis Ian and Phil Ochs to name a few changed the folk repertoire from traditional songs to songs sprung from personal contemporary experiences and the nation's headlines raising the level of political self-expression to high art Message and music merged and mirrored society In Music Revolution Greenwich Village in the 1960s Richard Barone unrolls a freewheeling historical narrative peppered with personal stories and insights from those who were there Illustrated with contemporaneous portraits of the musicians by renowned photographer David Gahr it celebrates the lasting legacy of a pivotal decade with stories behind the songs that resonate just as strongly today [Report of the Superintendent of the Bank Dept. Relative to Savings Banks](#) New York (State). Banking Dept, 1895 **A Complete Pronouncing Gazetteer Or Geographical Dictionary of the World** Joseph Thomas, 1895 **The Bank of America**, 1887 **Pearson's Magazine**, 1916 Pearson's Magazine 1899 1925 a monthly magazine devoted to literature politics and the arts was founded as a New York affiliate of the London periodical of the same name part of which it reprinted From 1916 to 1923 it was edited by Frank Harris **American Illustrated Magazine**, 1885 *Harper's New Monthly Magazine*, 1893 **The Banking Law Journal** Edward White, 1899 A journal devoted to banking law and practice for bankers and bank attorneys Includes articles notes on court

cases and summaries of legislation      **Fibre & Fabric** ,1891      **A Tour Around New York, and My Summer Acre** John  
Flavel Mines,1893      *Mid-Manhattan* Forty-second Street Property Owners and Merchants Association (inc.). New  
York,1929
