New York Magazine, 1995-06-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The New Woman's Film Hilary Radner, 2017-01-20 With the chick flick arguably in decline film scholars

may well ask what has become of the woman's film Little attention has been paid to the proliferation of films often from the independent sector that do not sit comfortably in either the category of popular culture or that of high art films that are perhaps the corollary of the middle brow novel or smart chick flicks This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience The new woman's film as a genre includes narratives with strong ties to the woman's film of classical Hollywood while constituting a new distinctive cycle of female centered films that in many ways continue the project of second wave feminism albeit in a modified form Topics addressed include The Bridges of Madison County Clint Eastwood 1995 the feature length films of Nicole Holofcener 1996 2013 the film roles of Tilda Swinton Rachel Getting Married Jonathan Demme 2008 Blue Jasmine Woody Allen 2013 Frances Ha Noah Baumbach 2012 Belle Amma Asante 2013 Fifty Shades of Grey Sam Taylor Johnson 2015 and Jane Campion's Top of the Lake Sundance Channel 2013

**Slow Waltz in Cedar Bend** Robert James Waller,1998 *Understanding Marsha Norman* Lisa Tyler,2019-09-13 Best known for her Pulitzer Prize winning play night Mother and her acclaimed adaptations of The Secret Garden and The Color Purple for musical theater Marsha Norman has produced an impressive oeuvre that includes not only works for the stage but also a novel and several television screenplays The first book on the Louisville born writer in twenty years Understanding Marsha Norman introduces readers to her life and work while making a persuasive case for her preeminence among America s leading dramatic artists Following a biographical introduction the book examines such early plays as Getting Out Third and

Oak and Circus Valentine which according to the playwright herself taught her the skills she needed to write her more successful works most notably the much lauded two character drama night Mother which centers around an apparently rational young woman's choice to commit suicide Subsequent chapters examine Norman's underrated novel The Fortune Teller and three mid career plays that rewrite the traditions of the Western the biblical story of Sarah and Abraham and the legend of Daniel Boone Her more recent plays including Trudy Blue 140 and Last Dance acknowledge the limitations of romantic relationships while her forays into musical theater and television including scripts for such programs as Law and Order Criminal Intent and the Peabody winning HBO series In Treatment signal a dramatist who is ever willing to take risks and venture into new genres At her best when writing about interesting and troubled women and their relationships with each other Norman has received much less critical attention than male contemporaries such as Sam Shepard and David Mamet This engaging and edifying book helps rectify that disparity     *Bridges of Madison County* Robert Ross Rees, Jr.,2017-10-25 History of Madison County Iowa and the Covered Bridges of Madison County Information about the Madison County Chamber of Commerce Welcome Center     **A Digest of the Decisions of the Supreme Court of Indiana** James Buckley Black,1889     *Iowa* Kelly J.
