**Sickert** Wendy Baron,Walter Sickert,2006-01-01 Walter Richard Sickert 1860 1942 was an artist of prodigious creativity For sixty years in his roles as painter teacher and polemicist he was a source of inspiration and influence to successive generations of British painters With his roots in the Victorian era Sickert broke all taboos He was uncompromisingly truthful revealing beauty in the squalid as in the sublime in cockney music halls the crumbling streets of Dieppe the grand sites of Venice and the low life of Camden Town Decades before Warhol he exploited the potential of photo based imagery and of studio production lines to create iconic portraits of the grandes of theatrical social and political life This catalogue is divided into two parts essay chapters describe Sickert s chronology in terms of stylistic and technical development and a fully illustrated catalogue presents more than 2800 drawings and paintings many of which have never been published before
