The Dangerous North:

Power, Interest, and Identity in Military Alliances J. Suh, 2007-06-25 This book looks at U S Korea relations and argues that military alliances depend upon a combination of power distribution material assets and identities The author asserts that beyond being mere tools of power balancing alliances are also impacted by material and institutional practices that constitute the identity of allies and adversaries *Danger, Development and Legitimacy in East Asian Maritime Politics* Christian Wirth, 2017-11-15 Grounded in extensive empirical research *Danger Development and Legitimacy in East Asian Maritime Politics* addresses the major issues of geopolitics in the region that have been and will continue to shape the international politics of the Asia Pacific for years to come Covering the nation states of China Japan and South Korea it includes an examination of the key island disputes as well as analysis of the North Korea South Korea clashes in the Yellow Sea controversies in Japan s relations with both Koreas and the so called history disputes including recognition of World War II atrocities across the region In doing so this book explores a range of themes from the ecological environment to the globalized nature of shipping and therein links the East Asian maritime sphere directly to the dynamics and developments in the domestic politics of each country Thus it serves to demonstrate how several controversial debates in the international politics of the Asia Pacific are ultimately and inextricably intertwined A timely contribution that furthers our understanding of contemporary politics of the Asia Pacific this book will be of great interest to students and scholars of Asian politics international relations and the Asia Pacific region in general *North Sea Pilot* Great Britain.
