**The Nineteenth-century Sensation Novel** Lyn Pykett, 2011 This study responds to developments of the sensation novel within literature television and popular culture and takes into account recent studies of the genre *The Dark Clue* James Wilson, 2003 From the critically acclaimed author of *The Earth Shall Weep* a haunting first novel set in Victorian England as inventive and multi faceted as the oil paintings of J M W Turner the elusive genius who lies at the novel's heart When Walter Hartright the sheltered upright character from Wilkie Collins's classic mystery novel is commissioned to write a biography of England's great Romantic landscape artist J M W Turner he discovers the dark clue hidden deep within the artist's brilliant paintings Obsessed with reconstructing a life that is shrouded in mystery and steeped in rumour Walter seeks help from a Dickensian assemblage of the lowest and highest elements of society the visionary John Ruskin the haughty aristocrats the desperate and the criminal Soon enough Walter uncovers evidence of unspeakable depravity but can it be believed Can the truth behind Turner's myth possibly be freed from a tangled rapidly expanding web of conspiracy A string of breathtakingly dramatic incidents sends Walter into a harrowing downward spiral from which only his loving and capable sister in law Marian Halcombe can hope to rescue him James Wilson's first book *The Earth Shall Weep* established him as a groundbreaking historian and evocative storyteller His debut novel plumbs the myth of creative genius offering not only a fast moving historical thriller but also a startling commentary on the problems of seeking truth and recording history In the tradition of John Fowles's *The French Lieutenant's Woman* and Charles Palliser's *The Quincunx* *The Dark Clue* is a masterful fiction debut from one of the original voices of our time *Posh Logic* The Puzzle Society, 2009-09-15 Complement your style while challenging your mind with this smart and sophisticated book featuring 100 number and word logic puzzles The contemporary tactile cover design makes this a stylish accessory that will go with anything and fit nicely into a purse or tote The perfect gift for any female puzzler *Posh Logic* is a great way to sharpen the mind while looking good doing it

**Casebook Novel** A.B. Emrys, 2014-01-10 Wilkie Collins was one of the most popular novelists during England's Victorian era While Collins scholarship has often focused on social issues this critical study explores his formal ingenuity particularly the novel of testimony constructed from epistolary fiction trial reports and prose monologue His innovations in form were later mirrored by Vera Caspary who adapted *The Woman in White* three times into contemporary fiction This text explores how the formal dialogue between Collins and Caspary has linked sensation fiction with noir thrillers and film noir *Tinsley's Magazine*, 1880 *The Works of John Ruskin ...: Modern painters [including] General index, Bibliography, and notes [v.32]*

1888 John Ruskin, 1888 Neo-Victorian Biofiction, 2020-09-07 This volume explores the many paradoxes of neo Victorian biofiction a genre that yokes together the real and the imaginary biography and fiction and generates oxymoronic combinations like creative facts fictional truth or poetic truthfulness Contemporary biofictions recreating nineteenth century lives demonstrate the crucial but always ethically ambiguous revision and supplementation of the historical archive Due to the tension between ethical empathy and consumerist voyeurism between traumatic testimony and exploitative expos the epistemological response is per force one of hermeneutic suspicion and iconoclasm In the final account this volume highlights neo Victorianism s deconstruction of master narratives and the consequent democratic rehabilitation of over looked microhistories
