The Daughters Of Egalia:

Egalias Døtre Gerd Brantenberg,1985 *Egalia's Daughters* Gerd Brantenberg,1995-02-28 Welcome to the land of Egalia where gender roles are topsy turvy as wim wield the power and menwim light the home fires This re telling of the prototypical coming of age novel will have readers laughing out loud and wondering who should prevail poor Petronius who wants more than anything to cruise the oceans as a seawom or his powerful and protective mother Director Bram who rules her family with an authoritarian righteousness But for better or for worse as the masculist party begins to organize and protest the landscape of Egalia threatens to change forever More than just a humorous romp *Egalia s Daughters* poses the provocative question of whether the culprit in gender subjugation is gender itself or power no matter who wields it "A Study Guide for Begum Rokeya's ""Sultana's Dream"" Gale, Cengage,2018-12-13 A Study Guide for Begum Rokeya s *Sultana s Dream* excerpted from Gale s acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs *Norwegian Women's Writing 1850-1990* Janet Garton,2000-12-01 Volume One in a new series this book covers Norwegian women s writing over the last 150 years setting literary developments against the background of the emergence and growth of the women s movement in Norway The work is divided chronologically into three sections the period up to 1913 when the universal suffrage was granted the period from 1913 to 1960 a time of stagnation in the women s movement with little involvement in contemporary political social and economic debates and the period from 1960 to the present day which has seen an increasing participation of women in public life Chapters on individual authors concentrate on the images of the women portrayed and investigate the conflicts behind the text the tensions between the authors and their work and the ambivalent feelings of women authors towards the act of writing The book should be of interest to all those concerned with women s writing and with Scandanavian literature and culture The series provides a survey country by country of women s writing from the beginnings of the major struggle for emancipation up to the present day While the main emphasis is on literature the social political and cultural development of each country provides a context for understanding the position and preoccupations of women writers Modern critical currents are also taken into account in relating feminist criticism to recent critical theory Forthcoming volumes in this series include *Women s Writing in Italy 1870 1990* and *Swedish Women s Writing 1850 1990* *Rewriting Language* Christiane Luck ,2020-02-06 Inclusive language remains a hot topic Despite decades of empirical evidence and revisions of formal language use many inclusive adaptations of English and German continue to be ignored or contested But how to convince speakers of the importance of inclusive language *Rewriting Language* provides one possible answer by engaging readers with the issue literary texts can help to raise awareness and thereby promote wider linguistic change
