**The Daydream Thief** Jeremy Rae, 2001-05-01 The Daydream Thief is a collection of poems in three parts that tell a story about falling in love and staying in love at whatever cost It is a manifesto against all things cynical yet still cynical enough to be funny at times The Daydream Thief is the part of all of us that is completely free from the chains of monotony and the pace of a corporate world

**Plastic Ozone Daydream** Floyd M. Orr, 2000-12-15 Plastic Ozone Daydream combines fact and fantasy on a wild ride through the birth growth and maturity of the sports car in America during the turbulent half century 1950 2000 The Baby Boomers changed everything Look deeply into the reflection Each story has its own identity yet each is connected to all the rest The author and his cast of affable characters say that 1970 was the pivotal year Are they right Plastic Ozone Daydream should stimulate your imagination as you cruise through the nostalgic Fifties blast through the exciting Sixties with a burst of acceleration and bring the anguish of the Nineties to the surface when your sports car cost more than your first house These stories describe the broadest emotions with the least words This book should remind us all why we love our sports cars Plastic Ozone Daydream is intended to be both fun to read and challenging to the intellect taking the reader on a journey he never knew existed through the crossroads of his own mind

*Dreamers and Thieves* Shane R. Schuch, 2013-01-23 What do you get when you mix a haggard old ghost who is severely ill with nostalgia with the end of the world You get Dreamers and Thieves by S R Schuch That is I I am he Thomas is dead He is an old old soul who just cannot bear to take himself to Heaven even though that is where all the people are But they re not the same there They are happy and healthy and eternal Thomas misses Humans as they were on Earth emotional struggling surviving He misses them being alive He saw himself through them seeing as he was once one of them Now they are all gone and dead and scattered

about the scorched Earth like rotten sprinkles on a big rotting cake that floats through space Thomas has lost almost all hope in ever finding life again His hope is fragile and fleeting as are his ghostly emotions which go up and down up and down He roams and roams the broken Earth in hopes of finding life when he sees something he hasn't seen in ages He sees the Sun poking its blazing face through a pinhole in the blackened neon toxic pudding clouds He hasn't seen the glory of the Sun in years upon years not since bombs dropped from all corners of the globe He knows this is something He hopes and he prays He hopes and he prays The sight tickles his dying hope which is something that he desperately needs to keep roaming roaming roaming and he instantly knows how he is going to spend his day he is going to wait out the sight of the Sunrise or Sunset which ever comes first and as he waits he is going to tell you a little story about what could have been what should have been the story is about his best friend His best friend was Victor Connelly He is dead now Thomas is nostalgic sick with memories and ghostly emotions He and I are the same in that sense We are ill with emotions that go up and down up and down and we both had to do something about it This is that something     *Froth on the Daydream* Boris Vian,1988     **The Daydream Workbook** Robert Langs,1995 Learn to interpret and benefit from everyday daydreams     **Grand Theft** Bill Mason, Lee Gruenfeld,2004 In the tradition of CATCH ME IF YOU CAN comes the true story of one of the world's greatest jewel thieves and masters of deception By day a mild mannered family man by night a notorious cat burglar during his 30 year career Bill Mason relieved the rich and famous of more than 50 million worth of jewellery Having charmed his way into the inner circles of high society Mason stole millions from celebrities like Bob Hope Truman Capote Phyllis Diller the original Tarzan Johnny Weissmuller and even the Mob Along the way he seduced a beautiful socialite into leaving her prominent husband nearly died after being shot escaping a robbery tricked both Christie's and Sotheby's into fencing stolen goods for him became the object of a nationwide manhunt and spent five years on the run as a fugitive from justice and for all that served less than three years in prison Shadowy elusive and intensely private he always worked alone and never carried a gun or used violence this seemingly ordinary guy no one suspected of even cheating at cards at last tells it all no holds barred And the real story is far more incredible than any of the reporters detectives or FBI agents who pursued him could ever have imagined     *Car Thieves* Akos Nemeth,2004 A searingly funny new play by Hungarian playwright Akos Nemeth translated by Che Walker and performed at London's National Theatre     *Theft on a Thin Line* Brian Nelson Fry,1994     *Daydream Daughter* Catherine Firestone,1976     **Thick As Thieves** Steve Geng,2025-09-23 A memoir about two siblings who loved each other sometimes the thrill of the shoplift the power of the written word the agony of addiction and the joy of someone who understands you and still stays true Steve Geng thief addict committed member of Manhattan's criminal semi elite was a rhapsody in blue all on his own Women had a tendency to crack his head open His sister Also unusual Veronica Geng wrote brilliantly eccentric pieces for The New Yorker hung with rock stars and Pulitzer Prize winners threw the occasional typewriter fled intimacy They were parallel universes but when they converged it was memorable Spanning decades of
