Levitsky, 2019-02-28 What does it mean to read and to teach Jewish American and Holocaust literatures in the early decades of the twenty first century New directions and new forms of expression have emerged both in the invention of narratives and in the methodologies and discursive approaches taken toward these texts The premise of this book is that despite moving farther away in time the Holocaust continues to shape and inform contemporary Jewish American writing Divided into analytical and pedagogical sections the chapters present a range of possibilities for thinking about these literatures

Intercourse Andrea Dworkin, 2008-08-01

Andrea Dworkin once called Feminism's Malcolm X has been worshipped reviled criticized and analyzed but never ignored The power of her writing the passion of her ideals and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists Now the book that she's best known for in which she provoked the argument that ultimately split apart the feminist movement is being reissued for the young women and men of the twenty first century *Intercourse* enraged as many readers as it inspired when it was first published in 1987 In it Dworkin argues that in a male supremacist society sex between men and women constitutes a central part of women's subordination to men This argument was quickly and falsely simplified to all sex is rape in the public arena adding fire to Dworkin's already radical persona In her introduction to this twentieth anniversary edition of *Intercourse* Ariel Levy the author of *Female Chauvinist Pigs* discusses the circumstances of Dworkin's untimely death in the spring of 2005 and the enormous impact of her life and work Dworkin's argument she points out is the stickiest question of feminism Can a woman fight the power when he shares her bed

2007, 2008-02 **Quest for Salvation in Saul Bellow's Novels** Kyung-Ae Kim, 1994 This book is an enlightening study on some of the problems involved in interpreting Bellow's novels It examines the current critical approaches and discusses Bellow's literary position in close connection with Romanticism and Modernism This study is engaged in exploring the nature of the Bellowian hero's quasi religious or even mystical quest for salvation How does the hero encounter the moment of vision At what moment And what are the nature and the character of the epiphanic experiences in Bellow's novels These central issues are examined in links with the Jewish Christian tradition and Zen Buddhism The study concludes from the analysis of Henderson the Rain King Herzog and Humboldt's Gift that the Bellowian hero's quest for salvation is presented with irony

and skepticism though with a deep religious vein **Saul Bellow** Charanjit Singh,1997 *Saul Bellow Journal* ,2003
