## **The Death Of Bernadette Lefthand Red Crane Literature Series:**

**The Death of Bernadette Lefthand** Ronald Burns Querry,1993 The murder of a young Pueblo Indian woman sets the stage for a novel which flip flops between the points of view of Bernadette s younger sister and the white woman for whom Bernadette kept house     *Encyclopedia of American Indian Literature* Jennifer McClinton-Temple,Alan Velie,2015-04-22

Presents an encyclopedia of American Indian literature in an alphabetical format listing authors and their works     **Native**

**American Mystery Writing** Mary Stoecklein,2019-04-04 Though mystery crime and detective fiction are some of the most popular genres in the world little scholarship currently exists regarding Native American writers and how they add new dimensions to this widely read literary form Rather the majority of scholarship examines the depiction of Native characters from the perspective of non Native authors Native American Mystery Writing Indigenous Investigations analyzes how Native authors use the genre to foreground centuries of settler colonial crimes and comment upon the ways in which these acts continue to impact Native individuals and communities today Considering fourteen novels and two made for TV films this book surveys a spectrum of settler colonial crimes the Osage oil murders sexual assault against Native women missing and murdered Indigenous women the California mission system suppression of spiritual beliefs theft of land children and cultural items and of course murder Examination of these texts shows how Native authors working with the mystery crime and detective fiction formats are able to entertain readers while also sending strong social cultural and political messages that argue for strengthened tribal sovereignty and illustrate the resilience of Indigenous peoples all in order to promote discussions about creating a more just system for Native Nations     **Muting White Noise** James H. Cox,2012-11-19 Native

American fiction writers have confronted Euro American narratives about Indians and the colonial world those narratives help create These Native authors offer stories in which Indians remake this colonial world by resisting conquest and assimilation sustaining their cultures and communities and surviving In Muting White Noise James H Cox considers how Native authors have liberated our imaginations from colonial narratives Cox takes his title from Sherman Alexie for whom the white noise of a television set represents the white mass produced culture that mutes American Indian voices Cox foregrounds the work of Native intellectuals in his readings of the American Indian novel tradition He thereby develops a critical perspective from which to re see the role played by the Euro American novel tradition in justifying and enabling colonialism By examining novels by Native authors especially Thomas King Gerald Vizenor and Alexie Cox shows how these writers challenge and revise colonizers tales about Indians He then offers red readings of some revered Euro American novels including Herman Melville s Moby Dick and shows that until quite recently even those non Native storytellers who sympathized with Indians could imagine only their vanishing by story s end Muting White Noise breaks new ground in literary criticism It stands with Native authors in their struggle to reclaim their own narrative space and tell stories that empower and nurture rather than undermine and erase American Indians and their communities     *Western American*

*Literature* ,1994    **Shaman or Sherlock?** Gina Macdonald,Andrew F. Macdonald,2001-11-30 Fictional depictions of Native American concepts of justice crime and the investigation of crime are explored in this original work *Shaman or Sherlock* explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas The most successful of these writers fuse authentic Native American culture with standard genre conventions thus providing an appealing empathetic view of little understood or underappreciated groups as well as insight into issues of cross cultural communication Dealing with such significant concepts as acculturation regional diversity and assimilation this unique study evaluates over 200 detective stories Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology the Native American detective story moves into the realm of the spiritual and intuitive often incorporating depictions of non material phenomena *Shaman or Sherlock* explores how geographical and tribal differences degrees of assimilation and the evolution of age old cultural patterns shape the Native American detective story    *The Native American in Long Fiction* Joan Beam,Barbara Branstad,1996-04-02 An annotated bibliography of all identifiable novel length fictional works by and about Native Americans of the United States published between the 1890s and the 1990s All literary genres have been included as well as young adult fiction If an author or character is Native American his or her tribal affiliation is identified    *The New York Times Book Review* ,1993-10 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback    **The Library Journal** ,1993 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately    **New Mexico Magazine** ,1994    **World Literature Today** ,1994

**Library Journal** ,1994    **We Have a Commonalty and a Common Dream** Isabel Schneider,1998    *Looking at the Words of Our People* Jeannette C. Armstrong,1993 A collection of Native academic voice on First Nations literature Includes views on the relevance of First Nations literary analysis This collection is an example of the diversity of voice and opinion from various regions and various cultural experience This collection includes essays which will be helpful in identifying contemporary issues related to literature as well as a very useful coverage of the first Native American gathering of writers in Oklahoma in 1992 Back cover    **The Encyclopedia of North American Indians** D. L. Birchfield,1997 A comprehensive reference work on the culture and history of Native Americans    *Death in the Rain* Ruth Almog,1993 In this elaborate tale of love and death the lives and reflections of four remarkable protagonists unfold through dramatic intersecting narrations These characters are a sensitive writer an ambitious academic handicapped by limited self awareness a brilliant but mentally unstable scientist a gifted doomed poet who suffered through the fascist upheavals in his native Greece    **A Directory of American Poets and Fiction Writers, 1994-1996** Poets & Writers, Inc,1994-12 Names and addresses of contemporary poets and fiction writers whose work has been published in the United States    On Behalf of the Wolf and the First Peoples
