The Death of the Toronto Telegram Jock Carroll,1971 [Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1974](#) **Bassett** Siggins, Maggie,2012-06-27 John White Hughes Bassett is an extraordinary figure in Canadian public life a man who s been at the centre of politics sports the media and business for over forty years True to his style John Bassett doesn t approve of an independent journalist who s neither a bosom friend nor an implacable foe writing his story But his public career belongs not only to him but also to the many Torontonians and Canadians whose lives have been touched by his astonishingly diverse activities as a politician publisher businessman and sportsman Based on more than 200 interviews with friends family business associates critics and enemies Bassett is a remarkably thorough portrait of a distinguished Canadian publisher broadcaster and businessman [The Rise of the Canadian Newspaper](#) George Fetherling,1990 This lively readable survey describes how Canadian newspapers were born as a tool of government gradually became a tool of various political parties and freed themselves only after their popularity had been surpassed by television and other media A valuable account of social history this book traces the rise of Canadian newspapers from the Colonial Reform Press and their crucial political role through the western expansion and development of professional staff and reporters to the birth of independent papers **Quiet Rebels** Mary Jane Mossman,2024-05-16 It s a girl the Ontario press announced as Canada s first woman lawyer was called to the Ontario bar in February 1897 Quiet Rebels explores experiences of exclusion among the few women lawyers for the next six decades and how their experiences continue to shape gender issues in the contemporary legal profession Mary Jane Mossman tells the stories of all 187 Ontario women lawyers called to the bar from 1897 to 1957 revealing the legal profession s gendered patterns Comprising a small handful of students or even a single student at the Law School women were often ignored and they faced discrimination in obtaining articling positions and legal employment Most were Protestant white and middle class and a minority of Jewish Catholic Black and immigrant women lawyers faced even greater challenges The book also explores some changes as well as continuities for the much larger numbers of Ontario women lawyers in recent decades This longitudinal study of women lawyers gendered experiences in the profession during six decades of social economic and political change in early twentieth century Ontario identifies factors that created or foreclosed on women lawyers professional success The book s final section explores how some current women lawyers despite their increased numbers must remain quiet rebels to succeed **The British Library General Catalogue of Printed Books to 1975** British Library,1986 [Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office Library of Congress. Copyright Office,1974](#) *Fatal Confession* Carolyn Strange,2025-10-15 When the body of thirteen year old Linda Lampkin was found raped and strangled on Toronto s industrial waterfront in 1956 locals feared a sex maniac was on the loose Within a day detectives

announced the arrest of Robert Fitton He was charged with murder although Fitton claimed the sex was consensual and the strangulation accidental Fatal Confession is a compelling analysis of that violent encounter and the ensuing legal and political entanglements which ended in the hanging of Fitton despite the jury s and judge s recommendation of mercy The case exposed judicial ambivalence about the criminal definition of constructive murder in connection with rape disagreements over the voluntariness of confessions to police and widespread doubt over the culpability of males tempted by precocious females Weaving together politics culture legal history and biography Fatal Confession unravels a case that ultimately called into question both capital punishment and masculinist legal interpretations of sexual consent *Canadiana*,1972 *Research Publications* Canada.
