The Decoupage Workshop Leslie Linsley,1976 A detailed explanation of the decoupage process with suggestions for projects and designs    The Bus on Thursday Shirley Barrett,2018-09-18 A horror novel about a breast cancer survivor told in the voice of your funniest but most anxious friend The Bus on Thursday is an appealing mix of genres that is both fluffy and deeply affecting at the same time Maris Kreizman Vulture Funny angry feminist Barrett is a masterly world builder Melissa Maerz The New York Times Book Review Bridget Jones meets The Exorcist in this wickedly funny dark novel about one woman s post cancer retreat to a remote Australian town and the horrors awaiting her It wasn t just the bad breakup that turned Eleanor Mellett s life upside down It was the cancer And all the demons that came with it One day she felt a bit of a bump when she was scratching her armpit at work The next thing she knew her breast was being dissected and removed by an inappropriately attractive doctor and she was suddenly deluged with cupcakes judgy support groups and her mum knitting sweaters Luckily Eleanor discovers Talbingo a remote little town looking for a primary school teacher Their Miss Barker up and vanished in the night despite being the most caring teacher ever according to everyone Unfortunately

Talbingo is a bit creepy It s not just the communion wine guzzling friar prone to mad rants about how cancer is caused by demons Or the unstable overly sensitive kids always going on about Miss Barker and her amazing sticker system It s living alone in a remote cabin with no cell or Internet service wondering why there are so many locks on the front door and who is knocking on it late at night Riotously funny deeply unsettling and surprisingly poignant Shirley Barrett s The Bus on
