

## The Denver Post Tournament

**Janet Bruce**

## **The Denver Post Tournament:**

**The Denver Post Tournament** Jay Sanford,2003 The Denver Post tournament was played from 1915 1947 It began as a statewide competition and developed into America s premier baseball event outside of the major leagues It was sometimes called The Little World Series or The Western World Series     Baseball Dorothy Seymour Mills,Harold Seymour,1991-05-30 In Baseball The People s Game Dorothy Seymour Mills and Harold Seymour produce an authoritative multi volume chronicle of America s national pastime The first two volumes of this study The Early Years and The Golden Age won universal acclaim The New York Times wrote that they will grip every American who has invested part of his youth and dreams in the sport while The Boston Globe called them irresistible Now in The People s Game the authors offer the first book devoted entirely to the history of the game outside of the professional leagues revealing how from its early beginnings up to World War II baseball truly became the great American pastime They explore the bond between baseball and boys through the decades the game s place in institutions from colleges to prisons to the armed forces the rise of women s baseball that coincided with nineteenth century feminism and the struggles of black players and clubs from the later years of slavery up to the Second World War Whether discussing the birth of softball or the origins of the seventh inning stretch the Seymours enrich their extensive research with fascinating details and entertaining anecdotes as well as a wealth of baseball experience The People s Game brings to life the central role of baseball for generations of Americans Note On August 2 2010 Oxford University Press made public that it would credit Dorothy Seymour Mills as co author of the three baseball histories previously authored solely by her late husband Harold Seymour The Seymours collaborated on *Baseball The Early Years* 1960 *Baseball The Golden Age* 1971 and *Baseball The People s Game* 1991     *Baseball and the House of David* P.J. Dragseth,2021-02-26 House of David barnstorming baseball 1915 1957 was played without pre determined schedules leagues player statistics or standings The Davids quickly gained popularity for their hirsute appearance and flashy fast paced style of play During their 200 seasons they travelled as many as 30 000 miles criss crossing the United States Canada and Mexico The Benton Harbor teams invented the pepper game and were winners year after year becoming legends in barnstorming baseball Initially a loose affiliation of players the Davids expanded to three teams Western Central and Eastern as their reputation grew and hired outsiders to fill the rosters Prominent among them were pitchers Grover Cleveland Alexander and Charlie Chief Bender both player managers in the early 1930s They resisted the color barrier eagerly facing Negro League teams everywhere In 1934 before their largest crowd to date they defeated the first Negro team invited to the famed Denver Post Tournament the great Kansas City Monarchs for the championship     Invisible Men Donn Rogosin,Monte Irvin,2020-10 On Feb 13 1920 a group of independent black baseball team owners held a meeting at a YMCA in Kansas City Missouri While they couldn t have known at the time that they were about to change the course of American history it was out of that meeting that the Negro National League was born The league flourished throughout the 1920s and beyond becoming the first successful

organized professional black baseball league in the country By providing a playing field for African American and Hispanic baseball players to showcase their world class baseball abilities it became a force that provided cohesion and a source of pride in black communities Among them were the legendary pitchers Smokey Joe Williams whose fastball seemed to come off a mountain top Satchel Paige the ageless wonder who pitched for five decades and such hitters as Josh Gibson Buck Leonard and Oscar Charleston whose talents as players may have even been surpassed by their total commitment to their profession and hardiness Leading the leagues were memorable characters like Gus Greenlee of the Pittsburgh Crawfords and Effa Manley of the Newark Eagles Although their games were ignored by white owned newspapers and radio stations black ballplayers and their teams became folk heroes in cities such as Chicago Kansas City Pittsburgh Philadelphia New York and Washington DC where the teams drew large crowds and became major contributors to the local community life with influence extending far beyond the baseball fields This memorable narrative filled with the memories of many surviving Negro League players pulls the veil off these invisible men who were forced into the segregated leagues What emerges is a glorious chapter in African American history and an often overlooked aspect of our American past

*Baseball Harold Seymour,Dorothy Seymour Mills,1960* The complete history of the game **Baseball: The people's game** Harold Seymour,1960 In *Baseball The People's Game* Dorothy Seymour Mills and Harold Seymour produce an authoritative multi volume chronicle of America's national pastime The first two volumes of this study *The Early Years* and *The Golden Age* won universal acclaim *The New York Times* wrote that they will grip every American who has invested part of his youth and dreams in the sport while *The Boston Globe* called them irresistible Now in *The People's Game* the authors offer the first book devoted entirely to the history of the game outside of the professional leagues revealing how from its early beginnings up to World War II baseball truly became the great American pastime They explore the bond between baseball and boys through the decades the game's place in institutions from colleges to prisons to the armed forces the rise of women's baseball that coincided with nineteenth century feminism and the struggles of black players and clubs from the later years of slavery up to the Second World War Whether discussing the birth of softball or the origins of the seventh inning stretch the Seymours enrich their extensive research with fascinating details and entertaining anecdotes as well as a wealth of baseball experience *The People's Game* brings to life the central role of baseball for generations of Americans Note On August 2 2010 Oxford University Press made public that it would credit Dorothy Seymour Mills as co author of the three baseball histories previously authored solely by her late husband Harold Seymour The Seymours collaborated on *Baseball The Early Years* 1960 *Baseball The Golden Age* 1971 and *Baseball The People's Game* 1991 [Colorado Heritage](#) ,2007 **A Hard Road to Glory, Volume 2 (1919-1945)** Arthur Ashe, Jr.,2024-07-16 The most comprehensive reference source on African American athletes yet compiled San Francisco Chronicle With a Foreword by Jeanne Moutoussamy Ashe Available once again for a new generation of readers the second volume in Arthur Ashe's epic trilogy that chronicles the remarkable legacy of Black athletes

in the United States a major addition to our understanding of American history and the fulfillment of this legendary sports star and global activist's lifelong dream. When tennis great Arthur Ashe first published his *A Hard Road to Glory* trilogy this ambitious project was the first of its kind a milestone in the presentation of United States social history. *A Hard Road to Glory* Volume 2 carries on the little known full story of Black athletes and their contributions to American sports and culture. Volume 2 covers America's Golden Age of sports from the end of World War One to the end of World War Two from 1919 to 1945. It was a time when the feats of legends such as Babe Ruth, Red Grange and Jack Dempsey shone brightly and segregation reigned supreme. Racial restrictions led to the formation of independent Black organizations which saw its own share of extraordinary stars. Meanwhile a number of great Black athletes including Jesse Owens and Joe Louis became sports heroes admired by millions worldwide. Today Black athletes and Black women in particular are receiving more visibility than ever for their unparalleled world record breaking excellence, their activism and their leadership and vision. Serena Williams, Simone Biles, Sha Carri Richardson and Naomi Osaka are consistently elevating athletics and are reshaping the way we think about sports, excellence, society and history. Arthur Ashe paved the way for them all. *A Hard Road to Glory* is fundamental to our understanding of Black athletes and our nation's past, present and future. Now more than ever this collection is one of this amazing icon's greatest legacies a treasure to be celebrated by readers today and those to come. **Kansas History**, 2010

The New Bill James Historical Baseball Abstract Bill James, 2001 When Bill James published his original *Historical Baseball Abstract* in 1985 he produced an immediate classic hailed by the Chicago Tribune as the holy book of baseball. Now baseball's beloved Sultan of Stats, *The Boston Globe* is back with a fully revised and updated edition for the new millennium. Like the original *The New Bill James Historical Baseball Abstract* is really several books in one. *The Game* provides a century's worth of American baseball history told one decade at a time with energetic facts and figures about How, Where and by Whom the game was played. *In The Players* you'll find listings of the top 100 players at each position in the major leagues along with James's signature stats based ratings method called Win Shares a way of quantifying individual performance and calculating the offensive and defensive contributions of catchers, pitchers, infielders and outfielders. And there's more the Reference section covers Win Shares for each season and each player and even offers a Win Share team comparison. A must have for baseball fans and historians alike. *The New Bill James Historical Baseball Abstract* is as essential, entertaining and enlightening as the sport itself. The Kansas City Monarchs Janet Bruce, 1985 An illustrated study of the Kansas City Monarchs one of the top teams in the Negro National League which served as a training ground for Jackie Robinson, Satchel Paige and over twenty other players who were eventually sent to the major leagues. Two Legs to Stand on John DeWitt McKee, 1955. **The Black Diamond**, 1924. **The Encyclopedia of the NCAA Basketball Tournament** Jim Savage, 1990 The book that every basketball fan has been waiting for celebrates the complete history of who and what made basketball the sport it is today. A one of a kind treasury of all the facts, stats and background that can't be found anywhere.

else 16 page photo insert    **James Sturm's America** James Sturm,2007-10-02 I The revival Cane Ridge Kentucky 1801 thousands of pilgrims look towards heaven to find salvation II Hundreds of feet below daylight Solomon's Gulch Idaho 1886 the last residents of a mining town continue their descent III The golem's mighty swing small town America the early 1920s a barnstorming Jewish baseball team create a golem to deliver them from their trials    *Colorado* James Whiteside,1999 Shows how sports history can illuminate the business politics class race gender mores and values of a society In pre industrial Colorado sports and games in Indian villages and early mining towns were shaped by work community life and even religion As leisure time increased sport evolved into a more popular recreational activity    **The Fireside Book of Baseball** Charles Einstein,1956 A collection of more than one hundred essays poems and reminiscences about baseball covers the entire span of baseball's history and highlights such great players as Ty Cobb Sandy Koufax and Pete Rose

*Black Diamonds* John Holway,1989 Black Diamonds brings back to life in their own words the times characters and playing careers of 11 men who starred in the Negro Leagues This follow up volume to Holway's award winning Blackball Stars Meckler Books 1988 reveals history on two levels First is the history on the field the dramatic home runs the World Series victories and the All Star game thrills etc The second is the history of the larger field the nation We meet Dave Barnhill in Zulu costume barnstorming with the Ethiopian Clowns Buck O Neil dodging bullets from the railroad cop in a hobo jungle Gene Benson punching a soldier who ordered him out of a railroad car in Dixie and many others These men all lived a moment in history that will never return a history that can now be a heritage to us all Page 3 of flaps    *Ski Style* Annie Gilbert Coleman,2004 Coleman traces skiing from its Norse roots and Alpine influences through the utility of ski travel in the winter Rockies to the rise of Colorado resorts Much more than a history of the sport her work explains how the recreation industry sold the experience of skiing and created mythic mountain landscapes with real problems and a ski culture that exalts celebrity and status over the physical act of skiing Jacket    **The 1989 NCAA Division I Basketball Championship** ,1989
