## **The Dharma Of Great Enlightenment:**

**The Sūtra of Perfect Enlightenment** ,1999-02-25 The Sūtra of Perfect Enlightenment used in monastic education for more than a millennium is a concise guide to the key paradigms of the practice systems of the East Asian meditational schools Chan, Shūn and Zen. Contained in its twelve chapters are definitive explanations of the meaning of innate and actualized enlightenment, sudden and gradual enlightenment, the true nature of ignorance and suffering, along with numerous examples of methods of contemplation that accord with and reflect the basic Chan views on enlightenment and practice. Although the Sutra was popular throughout the East Asian region, it attained its highest canonical status within the Korean Chogyŏ school, where it is still a key text in the core curriculum of modern-day monks and nuns. The Sutra is translated here in full, along with the eloquent and revelatory commentary of the Chan monk Kihwa (1376-1433). **The Jing Si Dharma Essence of the Wondrous Lotus Sutra Chapter 1: Introductory Chapter** Shih Cheng Yen, 2023-05-01 Introduction The Wondrous Dharma Lotus Flower Sutra teaches the Bodhisattva Way, which is the original intent of all Buddhas in opening the provisional to reveal the true. It is the Middle Way where matters and principles are in harmony; it is the perfect teaching of wondrous existence in true emptiness. It is the king of all sutras, the ultimate reality of the One Vehicle, and the one teaching that leads to Buddhahood. The Lotus Sutra consists of Twenty-Eight Chapters divided into three parts: Preface, Main Teachings, and Transmission. The Introductory Chapter is the Preface. The Jing Si Dharma Essence of the Wondrous Lotus Sutra combines the wondrous meanings of the sutra text with Dharma Master Cheng Yen's notes as she explains the Dharma. The two parts connect and complement each other skillfully, explaining the Dharma in subtle and wondrous detail and revealing the wondrous state of the extremely profound true Dharma. **Nectar #17** Babaji Bob Kindler, Lex Hixon, Kyogen Carlson, OP Sharma, John Forman, 2004-09-24 Our small but dedicated staff at Nectar of Nondual Truth is pleased to offer the Autumn issue of this contemporary journal of religious and philosophical teachings to all who value spirituality and its continued existence in this world. Each issue is filled with writings of substance created by deep and thoughtful minds steeped in the principles and practices of their chosen tradition. Such commitment as rare as it is in present times is the result of long-standing study, conscious action, inner compassion, and deep-seated meditation. Wherever these kinds of qualities are made manifest, humanity is reminded of the many blessings being bestowed upon it continually. Nectar of Nondual Truth concentrates mainly on the nondual element of religion, philosophy, and spirituality but maintains a close watch on all other perspectives as well. This is because true nondualism is never narrow and exclusive but latitudinous and all-encompassing. The contents of these pages are a testament to that universal orientation. From the seriously sought-after humility which Christianity enjoins upon its monastic communities to the duality-dissolving mind-unifying insight which radical nondual Buddhism epitomizes, the avid seeker of Truth perceives the One working among the many in order to reveal to them the One. If that revelation of homogenous unity gets expressed via the treasures of religious tradition or instead
