## **The Gates Of Janus Serial Killing And Its Analysis:**

**The Gates of Janus** Ian Brady, 2001 Introduction by Colin Wilson Certain to be one of the most controversial books of the year this is a full length work by Ian Brady who along with Myra Hindley was responsible for The Moors Murders in the early 1960s Written after Colin Wilson suggested that he analyse serial murder and come to terms with the crimes he committed Brady's work is both psychological and philosophical and is based upon his readings observations and life story An extraordinary work that provides an insight into the mind of a criminal as never before

**Kingship, Madness, and Masculinity on the Early Modern Stage** Christina Gutierrez-Dennehy, 2021-09-30 Kingship Madness and Masculinity examines representations of mad kings in early modern English theatrical texts and performance practices Although there have been numerous volumes examining the medical and social dimensions of mental illness in the early modern period and a few that have examined stage representations of such conditions this volume is unique in its focus on the relationships between madness kingship and the anxiety of lost or fragile masculinity The chapters uncover how as the early modern understanding of mental illness refocused on human rather than supernatural causes public stages became important arenas for playwrights actors and audiences to explore expressions of madness and to practice diagnoses Throughout the volume the authors engage with the field of disability studies to show how disability and mental health were portrayed on stage and what those representations reveal about the period and the people who lived in it Altogether the essays question what happens when theatrical expressions of madness are mapped onto the bodies of actors playing kings and how the threat of diminished masculinity affects representations of power This volume is the ideal resource for students and scholars interested in the history of kingship gender and politics in early modern drama

**Transnational Horror Cinema** Sophia Siddique, Raphael Raphael, 2017-02-24 This book broadens the frameworks by which horror is generally addressed Rather than being constrained by psychoanalytical models of repression and castration the volume embraces M M Bakhtin's theory of the grotesque body For Bakhtin the grotesque body is always a political body one that exceeds the boundaries and borders that seek to contain it to make it behave and conform This vital theoretical intervention allows Transnational Horror Cinema to widen its scope to the social and cultural work of these global bodies of excess and the economy of their grotesque exchanges With this in mind the authors consider these bodies potentials to explore and perhaps to explode rigid cultural scripts of embodiment including gender race and ability

**Mediating Madness** S. Cross, 2010-02-24 Mediating Madness examines how mediations of madness emerge disappear and interleave only to re emerge at unexpected moments Drawing on social and cultural histories of madness history of art and popular journalism the book offers a unique interdisciplinary understanding of historical and contemporary media representations of madness
