## **The Ghost Road:**

**The Ghost Road** Pat Barker, 2012-08-09 The Booker Prize winning final novel in Pat Barker's classic Regeneration trilogy from the acclaimed author of *The Silence of the Girls*. An extraordinary tour de force. One of the few real masterpieces of late twentieth century British fiction. Jonathan Coe: Powerful, deeply moving. A triumph. Sunday Times: Harrowing, original, unforgettable. Independent: 1918, the closing months of the war. Army psychiatrist William Rivers is increasingly concerned for the men who have been in his care, particularly Billy Prior who is about to return to combat in France with young poet Wilfred Owen. As Rivers tries to make sense of what, if anything, he has done to help these injured men, Prior and Owen await the final battles in a war that has decimated a generation. *The Ghost Road* is a vivid and unforgettable account of the devastating final months of the First World War. The Regeneration Trilogy: *Regeneration*, *The Eye in the Door*, *The Ghost Road*. **The Ghost Road** Pat Barker, 2013-12-31 Winner of the 1995 Booker Prize. Set in the closing months of World War I, this towering novel combines poetic intensity with gritty realism as it brings Pat Barker's Regeneration trilogy to its stunning conclusion. In France, millions of men engaged in brutal trench warfare are all ghosts in the making. In England, psychologist William Rivers, with severe pangs of conscience, treats the mental casualties of the war to make them whole enough to fight again. One of these, Billy Prior, risen to the officer class from the working class, both courageous and sardonic, decides to return to France with his fellow officer poet Wilfred Owen to fight a war he no longer believes in. Meanwhile, Rivers, enfevered by influenza, returns in memory to his experience studying a South Pacific tribe whose ethos amounted to a culture of death. Across the gulf between his society and theirs, Rivers begins to form connections that cast new light on his and our understanding of war.

*The Ghost Road* Charis Cotter, 2018-09-04 Ghosts, a family curse, buried secrets, and two girls who have to figure it all out. A new book from an acclaimed author for fans of *Coraline*, *Doll Bones*, and *The Night Gardener*. For the first time, Ruth is heading to Newfoundland to stay with family she's never met instead of spending the summer traveling with her dad. When she arrives, she finds life in the small community of Buckle very different from Toronto: everyone knows everyone else, and some of them believe in ghosts. The Sight and family curses: Ruth's cousin Ruby is also staying for the summer, and the two discover they have a lot in common: they both lost their moms when they were two years old, they're the same age, and they even like the same food. But while Ruby believes in spirits and fairies, Ruth believes in science and cold hard facts. When they find ominous information on some tombstones in the local cemetery, Ruth and Ruby start investigating their family's past and discover that twin girls are born in every generation and every set of twins dies young, leaving their children without mothers. What's more, one of the twins always has The Sight and can see the Ghost Road that leads to the mysterious lost settlement of Slippers Cove. What happened there? What does it have to do with their family? And who is the ghostly presence that keeps visiting Ruth late at night? The answers lie somewhere along the Ghost Road if they can only find it. **The Ghost Road** Pat Barker, 1996 This book challenges our assumptions about relationships between the classes: doctors and patients.

**The Ghost Road** Tony Abbott, 2009 Derek can't claim to be a normal fourteen year old anymore Not after what he discovered at the Red House His role in the war against the dead is more pivotal and more terrifying than he could have imagined And so it all comes down to this The Rift between the worlds of the living and the dead has to be closed forever It seems like an impossible task And it rests squarely on the shoulders of a slightly overweight not especially brave kid named Derek Stone If Derek is ever going to become a hero now's the time kids looking for some down home zombie action with a young hero to root for will likely find this a tantalizing appetizer for horrific bounty to come The Bulletin of the Center for Children's Books
