Guildhall Nick Bateman,2000 For over a hundred years people had searched for the Roman amphitheatre of London In 1988 during a dig at the City s medieval Guildhall the astonishing discovery was made The curving stone walls of the arena and timber beams for the seating tiers confirmed that the gladiators place of spectacle lost for over 1500 years had finally been found The amphitheatre lay abandoned for centuries until when little more than a hollow in the landscape it became the site of a Viking trading settlement The dig revealed some of the most complete remains of 11th century timber houses to be found anywhere in Europe showing how London thrived under King Cnut and the Danes These simple buildings gave way to the first Guildhall which evolved into a complex building at the political and economic heart of the medieval City Gladiators at the Guildhall tells a tale of archaeological discovery and of a place that resounds with the clash of Roman gladiators the clamour of vikings bartering with merchants from Byzantium and the chanting of medieval priests as Dick Whittington is elected mayor for the third time

Lewis Grassic Gibbon,2014-09-01 The original landmark story of the gladiator Spartacus a masterpiece of vivid storytelling full of adventure suspense cruelty and romantic intrigue Rome 73 BC Kleon a Greek slave wakes early cuts his master s throat and flees south by a back road clutching a copy of Plato s Republic His destination is Capua where he hopes to join the burgeoning rebel army of Spartacus an escaped gladiator So begins the definitive telling of one of the most famous stories in history Spartacus and his companions having defeated every Roman force sent against them are plundering the countryside and gathering to their ranks thousands of fugitives brigands and itinerants They seek to create a new world one where men are not owner and owned But they must first escape Italy and the vengeful Roman legions already marshalling against them Brutal and uncompromising in its depiction of the ancient world Spartacus masterfully evokes the violence hope and despair of the war that shook Rome to its very foundations    **Paperbacks in Print** ,1975    **Encyclopædia Americana** Francis Lieber,1851    **Marius' Mules III** S.J.A. in Illyricum trouble is brewing in the north The tribes of Armorica driven to desperate action by the harsh rule of Crassus raise their standards in defiance of the Roman eagle causing a chain reaction that threatens everything the legions of Caesar have achieved Can the general's commanders stamp out the fires of rebellion before the whole of Gaul is ablaze Meanwhile in Rome the conspiracies against Caesar take an unexpected turn plunging Fronto and his friends into a world of crime violence and intrigue that threaten everything the legate cares about The city is in turmoil and the republic is teetering on the brink of disaster In a year that takes the legions and their commanders to the heaving Atlantic Ocean the treacherous valleys of the Pyrenees and the seething underbelly of the greatest city in the world everything is about to change for Marcus Falerius Fronto
