## **The Glass Key:**

**The Glass Key** Dashiell Hammett, 2011-02-09 From one of the great pioneers of detective stories a classic tale reissued with a new introduction by Laura Lippmann Ned Beaumont is a gambler and a professional troubleshooter for his friend Paul Madvig a cheerfully corrupt political power broker who aspires to greater things Madvig has his eyes set on none other than the daughter of Senator Ralph Bancroft Henry the heiress to a dynasty of political purebreds When the senator's son turns up dead Madvig becomes the prime suspect But if he is innocent then which of his dozens of enemies is doing an awfully good job of framing him Dashiell Hammett's tour de force of crime fiction combines a bulletproof plot authentically corrupt characters and writing of telegraphic crispness **Private Eyes** Robert Allen Baker, Michael T. Nietzel, 1985 Private Eyes is the complete map to what Raymond Chandler called the mean streets the exciting world of the fictional private eye It is intended to entertain current PI fans and to make new ones *The Search for the Crystal Key* Ellyn Dye, 2008-09-21 In this fantasy for all ages an insecure 13 year old plunges through a portal to a parallel world where she must retrieve a special crystal to save her aunt's life and confront an evil warrior queen intent on conquering her own world and ours **Out of the Shadows** Gene D. Phillips, 2011-11-03 Film noir was a cycle in American cinema which first came into prominence during World War II peaked in the 1950s and began to taper off as a definable trend by 1960 Over the years a group of films from the period emerged as noir standards beginning with *Stranger on the Third Floor* in 1940 However since film noir is too wide ranging it cannot be kept within the narrow limits of the official canon that has been established by film historians Consequently several neglected movies made during the classic noir period need to be re-evaluated as noir films In *Out of the Shadows Expanding the Canon of Classic Film Noir* Gene Phillips provides an in-depth examination of several key noir films including acknowledged masterpieces like *Laura* *The Maltese Falcon* *Sunset Boulevard* and *Touch of Evil* as well as films not often associated with film noir like *Spellbound* *A Double Life* and *Anatomy of a Murder* Phillips also examines overlooked or underappreciated films such as *Song of the Thin Man* *The Glass Key* *Ministry of Fear* and *Act of Violence* Also considered in this reevaluation are significant neo noir films among them *Chinatown* *Hammett* *L.A. Confidential* and *The Talented Mr. Ripley* In his analyses Phillips draws upon a number of sources including personal interviews with directors and others connected with their productions screenplays and evaluations of other commentators *Out of the Shadows* explores not only the most celebrated noir films but offers new insight into underrated films that deserve reconsideration Of interest to film historians and scholars this volume will also appeal to anyone who wants a better understanding of the works that represent this unique cycle in American filmmaking **Dashiell Hammett and the Movies** William H. Mooney, 2014-11-03 As the father of the hardboiled detective genre Dashiell Hammett had a huge influence on Hollywood Yet it is easy to forget how adaptable Hammett's work was fitting into a variety of genres and inspiring generations of filmmakers *Dashiell Hammett and the Movies* offers the first comprehensive look at Hammett's broad oeuvre and how it was adapted into films from the 1930s all

the way into the 1990s Film scholar William H Mooney reveals the wide range of films crafted from the same Hammett novels as when *The Maltese Falcon* was filmed first as a pre Code sexploitation movie then as a Bette Davis screwball comedy and finally as the Humphrey Bogart classic He also considers how Hammett rose to Hollywood fame not through the genre most associated with him but through a much fizzier concoction the witty murder mystery *The Thin Man* To demonstrate the hold Hammett still has over contemporary filmmakers the book culminates in an examination of the Coen brothers pastiche *Miller's Crossing* Mooney not only provides us with an in depth analysis of Hammett adaptations he also chronicles how Hollywood enabled the author's own rise to stardom complete with a celebrity romance and a carefully crafted public persona Giving us a behind the scenes look at the complex power relationships cultural contexts and production concerns involved in bringing Hammett's work from the page to the screen Dashiell Hammett and the Movies offers a fresh take on a literary titan
