The Gold Of The Gods:

The Gold of the Gods Erich von Däniken,1973 Erich von Däniken's The Gold of the Gods unveils new evidence of an intergalactic battle of the gods whose losers retreated to and settled Earth He explores a vast mysterious underworld of Ecuador caves filled with gold and writings in solid gold that go back to the time of the Great Flood bolstering von Däniken's theory of a prehistoric earthly era of the gods Gold of the Gods Daniken Erich Von, Heron Michael, 1978 **Gold of the Gods** Arthur Benjamin Reeve, 2015-07-02 This early work by Arthur Benjamin Reeve was originally published in 1915 and we are now republishing it with a brand new introductory biography Gold of the Gods features Professor Craig Kennedy who is sometimes compared to as The American Sherlock Holmes due to his astounding ability at crime solving and his Watson like sidekick Walter Jameson The story tells of a Professor of Archaeology who asks for Kennedy's assistance in finding a stolen ancient dagger recently brought back from a Peruvian dig While the Professor is still conferring with Kennedy word comes that a wealthy Peruvian has just been murdered with the very same stolen dagger Arthur Benjamin Reeve was born on 15th October 1880 in New York USA Reeve received his University education at Princeton and upon graduating enrolled at the New York Law School However his career was not destined to be in the field of Law Between 1910 and 1918 he produced 82 short stories for Cosmopolitan Reeve later continued to write detective stories for pulp magazines but also covered many celebrated crime cases for various newspapers including the murder of William Desmond Taylor and the trial of Lindbergh baby kidnapper Bruno Hauptmann Reeves died on 9th August 1936 a few years after moving to Trenton **The gold of the gods** Arthur Benjamin Reeve, 1916 **The Gold of the Gods** Erich von Däniken, 1974 **Gold of the Gods** Arthur B.

Reeve, 2022-04-11 The book Gold of the Gods has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies and hence the text is clear and readable **Gold of the Gods** Bear Grylls, 2008 Lost in the jungle Bruno is on a trip to Colombia in his school holidays His anthropologist uncle has taken him along on a visit to Don Rafael de Castillo a descendent of a great explorer who is claimed to have discovered a lost City of Gold But the secret of the city died with the explorer until now A fast paced new adventure full of real survival details and tips Gateway of the Gods Craig Hines, 2007-01-09 This ground breaking and provocative book presents new and astonishing interpretations of ancient history mythology and world religions that will call many established beliefs into question In Gateway of the Gods author Craig Hines invites readers to reconsider preconceived notions concerning Biblical theology in light of recent scientific discoveries and inquiries concerning the nature of the universe This fascinating exploration reveals a number of ideas that have been suppressed and obscured behind layers of symbolism and misguided propaganda for thousands of years until now Why is it that so many world cultures share details of an event when fallen angels descended upon the earth and fathered hybrid

offspring called the Nephilim Is it possible that these beings used gateway technology housed within pyramids and holy temples to travel between the heavenly and earthly realms Do the latest advances in theoretical physics lend credibility to the idea that otherworldly beings might reside in dimensions parallel to our own Do the recorded voices of the dead known as Electronic Voice Phenomena EVP indicate that we may be able to communicate with these other realms Was a secret message embedded within ancient texts that could only be revealed after we have attained the knowledge and technology necessary to understand it Does this message offer a solution to the approaching environmental disaster that scientists warn will be more devastating to human civilization than any others in recorded history Drawing from a variety of historical sources and years of meticulous research the author weaves together a compelling argument involving a range of seemingly disparate topics that when considered together formulate a radically new narrative concerning the history and destiny of the human race

Slave Species of the Gods Michael Tellinger,2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species first proposed by Zecharia Sitchin in The 12th Planet Shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6 000 years ago However as Michael Tellinger reveals the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200 000 years ago Sent to Earth in search of life saving gold these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold thus beginning our global traditions of gold obsession slavery and god as dominating master Revealing new archaeological and genetic evidence in support of Zecharia Sitchin s revolutionary work with pre biblical clay tablets Tellinger shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA which explains why less than 3 percent of our DNA is active He identifies a recently discovered complex of sophisticated ruins in South Africa complete with thousands of mines as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy Matching key mythologies of the world s religions to the Sumerian clay tablet stories on which they are based he details the actual events behind these tales of direct physical interactions with god concluding with the epic flood a perennial theme of ancient myth that wiped out the Anunnaki mining operations Tellinger shows that as humanity awakens to the truth about our origins we can overcome our programmed animalistic and slave like nature tap in to our dormant Anunnaki DNA and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe **UFOs: God's Chariots?** Ted Peters,2014-05-19 Are UFOs celestial saviors coming to save Earth from self destruction Are UFOnauts
