Holms,David L. Smith,1997-06 Equal parts enchanting fable and hilarious satire The Gods of Golf puts a fresh spin on the idea of golf as a metaphor for life The Rulebook of the Golf Gods D E Wieland,2022-08-15 The Royal and Ancient and the

USGA have their rulebook and the golf gods have theirs The official rulebook has been written and rewritten for over 250 years And now for the first time in writing here is THE RULEBOOK OF THE GOLF GODS The golfing authorities dictate how the game is to be played and scored However where the ball goes is strictly up to the golf gods Generations of golfers have always wondered where the ugly crazy and frustrating shots come from The answer is finally here This book covers the things that happen on a golf course that aren't covered anywhere in the official golf rulebook Subjects include equipment preparation strategy tee shots shots to the green chipping putting trees bunkers water weather good breaks bad breaks and talking to the ball Don't feel bad the next time you hit a strange or lousy golf shot It isn't your fault It is just the golf gods seeking entertainment at your expense

[The Golf Book](#) Robert Sudha Hamilton,2022-02-24 This is a book about golf and in particular why the game of golf is so special It is a book about why I love the game and why it has captured my passion and imagination Golf is unlike most other sporting contests in that you play primarily against the course and to a lesser extent against your playing partners and other competing golfers The lie of the land challenges you from the opening tee shot until the final putt drops The golf ball is not moving around when you come to play your shot and so appears to benignly beckon you to strike it The ground however may not be flat beneath your feet and uneven lies are common all over the course The face of the club head and golf ball are relatively small surfaces especially when you draw back the club head on a lengthy shaft until it is behind your head Returning the face of the club head square to the back of the ball at speed is no easy task for the beginner at the game of golf My intention in writing this book is to get inside some of the magical moments and some of the more humorous aspects of the game of golf There is an undeniable communing with nature flavour underpinning the game of golf where the field of play is so massive and majestic All successful subcultures have their own jargon which is delightfully shared by its members Golfers love to swap cliches whilst on the course as a rich part of the golfing experience A golf ball propelled onto the green by a well struck shot is said to be on the dance floor A shot struck beyond the green has airmailed the green An ace is a rare hole in one and this is an exclusive club within the game of golf for those golfers who have achieved this feat Golfers wanting a ball to cease its journey across the green cry out bite A putt successfully rolled into the hole is drained Alternatively that putt could lip out and fail to remain in the hole Golf is a test of character and your sporting mettle A test of how you can stand up to scrutiny and the individual demands of a solo game like golf I think this is a big part of the game's appeal Men and women enjoy the challenge of pitting themselves against the course There is nowhere to hide during a competitive round and you only have yourself to blame when you muck it up and fall short The legendary Bobby Jones in his early days used to throw clubs and carry on out of frustration until it was pointed out to him what a bad look poor sportsmanship was and how damaging it can be to your game The mental game the character required to play golf and some of the history of the game's greatest are all a part of The Golf Book Green Cathedral Dreams 250 pages **Golf's Three Noble Truths** James Ragonnet,2010-09-24 The Buddha's seven years of wandering in search of enlightenment ended

in frustration So did the author s thirty years of traversing golf courses Neither found what they were looking for until they stopped searching outside and started looking within The result for James Ragonnet was the kind of second birthday Eastern thinkers describe when you wake up to everything happening around you Through delightful anecdotes and practical lessons Ragonnet reveals the power of awareness balance and unity to banish the dissatisfaction and stagnation so many golfers experience He shows how all golf Buddhas Bobby Jones Jack Nicklaus Annika Sorenstam Tiger Woods play with their outer and inner eyes wide open describes his twelfth green OOG out of golf experience and offers readers simple truths that prompt flashes of understanding These insights invite birdies drop handicaps and transform experience both on and off the course

Ever since the first tortured soul attempted to hit a small ball with a crooked stick and hit the ball straight golfers have driven themselves half insane wondering if the Golf God is real Wonder no more you poor souls obsessed with the agonizing game of golf THE GOLF GOD IS REAL The Golf God appeared to a devastated Shanks in the bar of the Fleece Muni after Shanks had choked an 18 inch putt to lose a bet The Golf God informed Shanks he had been chosen to be the Golf Gods disciple Why have I been chosen Shanks asked in utter bewilderment Because you are the worst putter I have ever seen and to continue to play the game you have to be consumed with unquestionable devotion answered the Golf God righteously The Golf God also informed Shanks he would be blessed to write the Golf Gods legacy In between beer cigarettes and pizza the Golf God told Shanks the real history of golf made clear what golf terms really mean explained why we play the game gave a few tips about putting driving and chipping and revealed secrets on how to improve your game without spending thousands of dollars on golf lessons Shanks also shared several stories about real life golfers the kind who take your hard earned cash and lie about their handicaps Grab a slice of pizza have a beer then sit back and enjoy the conversations between Shanks and the Golf God Side note The Golf God is overjoyed when you play golf on Sunday and is not affiliated with any organized religion
