Street Lavender:

The Other Side of the Street (Lavender Road 5) Helen Carey, 2017-04-06 THE OTHER SIDE OF THE STREET is an irresistible romantic and heart warming saga of south London s women during the Second World War A delightful experience I can thoroughly recommend it Ellie Dean It s 1944 Londoners are weary of air raids and rationing But now with rumours of an invasion of France the tide of war seems to be turning In Lavender Road however everyone still has challenges to face Young widow Louise Rutherford longs to make a new life for herself When a glamorous American officer arrives at her factory to recruit volunteers for a secret project she senses an opportunity only to find her efforts hampered by ten year old war orphan George Nelson Jen Carter s relationship with theatrical producer Henry Keller hits a hurdle when an old flame reappears And when V1 retaliation rockets start hitting London her mother Joyce s tentative romance is threatened too Will the war finally wear down the women of Lavender Road or can love thrive even in the toughest of times *The Walsall*
