John Kerr

Streetwise Melbourne:

Hit Men John Kerr,2011-05-24 These men are the hit men striking a contract with someone who has a target and the cash In a world of ever increasing outsourcing contract killing has become the white middle class way of murder The Hit Men tells the stories of some of Australia s most ruthless contract killers their plots accomplices victims crimes and punishments and of the people who saw fit to employ them John Kerr dissects a parade of hits from the days of Sydney s razor gangs in the 1930s to more modern times taking a fresh look on the way at the man they called Rent a Kill Christopher Dale Flannery Kerr traces the tragic path of Dennis Allen s hired Red Rat tells of the bungled Are you Les hit and examines the crimes that led to a mother s death on a bed beside her six year old son He gives unflinching accounts of a man who killed his granny wives who shopped for their husband s killers and cashed up criminals who called in favours to arrange the deaths of their enemies A chilling account of how quickly ordinary people can turn to extreme violence to get what they want

Australia's New Migrants Maria Elena Indelicato,2017-09-22 This book offers a comprehensive and critical analysis of the tropes employed in the categorization of international students living and studying in Australia Establishing the position of migrant students as subjects of the border the author employs various models of emotion in an analysis of the ways in which public debates on migration and education in Australia have problematised international students as an object of national compassion or resentment in relation to other national concerns at the time such as the country s place in the Asia Pacific region the integrity of its borders and the relative competitiveness of its economy Applying an innovative methodology which combines the breadth of a diachronic study with the depth afforded by the close analysis of a diverse range of case studies including the protests staged by Indian international students against a spate of violent attacks which led to their labelling as soft targets in national discourses Australia s New Migrants constitutes an important contribution to our understanding of the ways in which emotions shape national collectives orientation towards others As such it will appeal to scholars of sociology cultural studies and education with interests in migration race and emotion
